REJECT BIDS TO ELIMINATE LONG RADIUS CURVES

1925 PAVING
PROGRAM PUT
BACK 30 DAYSBoard of Public Works Ordered
to Prepare New Plans and
Specifications

HEAR TAXPAYERS' PROTEST

Property Owners Term Long
Curves Menace to Safety
and Invitation to Speeders

The 1925 paving program was delayed at least 30 days when the common council Wednesday evening rejected bids in order to permit changes in plans and specifications which would eliminate the 30-foot radius curves at street intersections as proposed by the board of public works and adopted by the council. This action was taken on the advice of A. C. Bossert, city attorney, who said that changes in the plans and specifications for paving, after bids had been advertised for, would make it possible for property owners on streets affected to go into court to seek relief from payment of benefits and damages assessed against them.

Immediately after the council voted to reject the present bids and to rescind action which it had taken on the paving program for this year, it adopted another resolution ordering the board of public works to prepare new plans and specifications which are to be presented to the council. While no mention was made of the size of the curves at street intersections in the new specifications, it is probable they will be considerably reduced from the 30-foot radius in the plans that were rejected.

AUDIENCE IN DISCUSSION

Action of the council followed presentation of arguments against the long radius curves by members of the council and taxpayers' of the First, Third and Fifth wards, a defense of the council's action by Mayor John Goodland, Jr., and debates between members of the council and protesting citizens in the big audience which applauded the rejection of the bids.

Alderman George T. Richard of the Third ward led the fight to eliminate the long radius curves and he prepared the resolution which rejected the bids and rescinded previous action on this year's paving program. Mr. Richard also introduced a resolution fixing a standard method of determining radii for street intersections, expecting immediate action on the proposal, but his plan was referred to the street committee on motion of Alderman Charles D. Thompson. This action on the part of the council aroused Richard's ire and he hotly resented what he termed an effort to "ditch" his plan. Thompson explained he understood it was Richard's intention to fix a permanent policy for determining the radii of street intersections and if that was the case he wanted it thoroughly studied by the street committee.

CONNELLY EXPLAINS

A large part of the time was devoted to a free-for-all discussion of the street paving and street corner radii program and the discussion disclosed that there was a good deal of ambiguity about the whole matter of curb curves at street intersections. At the request of F. S. Murphy, owner of property on N. Lawrence, city engineer, explained what is meant by a 30-foot radius curve. He said the sidewalk at the point where the turn is made in another direction must not be destroyed but the greater part of the walk between the outside of the block sidewalk and the street gutter would be eliminated. The discussion brought out that there was not a single 30-foot radius in the plans for S. Cherry-st. pavement—most of them were more than 30 feet.

It was explained that the radius at each corner was determined by conditions at that corner and Alderman Richard advanced that fact as an argument for the plan he suggested, which was to fix the radii as the shortest distance between the lot line and the curb of the street.

Mr. Richard declared he was not the author of this idea, but had borrowed it from the city engineer of Milwaukee, who informed him of the system in use there. After he had finished explaining his plan, he requested permission of the mayor and council for the protesting taxpayers to present their pleas.

W. H. Vanderhagen, property owner on N. Richmond-st. and chairman of the committee of ten elected by the taxpayers of the Third and Fifth wards, opened the arguments. He

Chapman's Identity Revealed;
Is Disowned By His Relatives

By Associated Press
New York.—The mystery of Gerald Chapman is a thing of the past. The stickup man who is waiting in a Connecticut jail to be hanged June 25 has been declared by Connecticut authorities to be George Chartres, a son of Irish parents and a brother of a man who now holds a responsible educational position here.

Since Chartres, alias Chapman, was found guilty of the murder of Policeman Skelly of New Britain, Conn., officials of that state have been investigating his past life.

The convicted man himself put them on the trail. On April 12, 1907, when he was convicted of grand larceny in New York, he gave his right name. He was sentenced to serve 10 years in prison, but was paroled June 19, 1908.

On his release he gave the name of his nearest relative as "Mrs. Catherine Connors, No. 171, One Hundred Seventeenth-st., top floor."

Mrs. Connors, it was said, is an aunt. She is still alive but no longer resides at this address.

Chartres also has a sister, it was said whose whereabouts, however, are not known. Officials refused to

divulge the names of the brother and sister.

Chartres, alias Chapman, records show, was an undersized boy, mentally alert but always prone to get into trouble. His parents died when he was very young, and his aunt brought him up, also his brother and sister. George was given a grammar school and high school education.

His first real arrest came in 1907. Previous to that, however, he was said to have served two short terms in a work house for minor offenses. He was then 20 years old.

Released from prison, he returned to his aunt's home here. Soon he was arrested, charged with violation of parole. While awaiting his return to the state prison at Elmira, he was identified by two detectives at the tombs as "Curley" of the "Park-

Mob." These detectives charged him with burglary, and on Sept. 22, 1908, he was sentenced to three and one half years in Sing Sing. It was then, according to the story, that his relatives disowned him. When he walked out of Sing Sing in 1912, dressed in prison made clothes he was to return to New York but not to his aunt's home. Within a year he had been sent back to Sing Sing.

From this point on "Chapman's" career is well known. He refused to give his correct name or say anything about his family. "It is a good family," he told examiners after the famous \$2,400,000 mail robbery here several years ago, "and that's enough for you to know." He freely admitted that the name Gerald Chapman was an alias.

George Chartres has no home now. Moreover, his relatives refuse to concede his very existence. The brother who is married and has three children and who is a regular church goer, was interviewed last night by reporters, who did not make public his name. "That man is dead," he said slowly. "I tell you I have no brother. He is dead. I want to live my own life."

SHEPHERD WILL BE
ARRAIGNED APR. 16
ON MURDER CHARGEAwait Decision of Supreme
Court on Petition to Re-
lease Him on Bail

By Associated Press
Chicago.—Arraignment of William D. Shepherd, charged with the murder of William A. McClintock was continued Thursday for one week while the accused's lawyers continue their battle for bail before the Illinois supreme court.

With the bail matter now in the hands of the highest state court, the fourth effort of the defense to get Shepherd out of jail, Chief Justice Hopkins announced from his chambers that he would defer the arraignment until April 16.

A week ago when Judge Hopkins for the second time rejected the defense moves for bail he told Shepherd's lawyers that he would continue the arraignment date if they desired to carry their bail efforts further. In the meantime the attorneys for Shepherd asked his freedom on a writ of habeas corpus of the supreme court.

The report of the coroner's chemist on the chemical analysis of the vital organs of young McClintock's mother, Mrs. Emma Nelson McClintock, and of Dr. Oscar Olson, a friend of the McClintock family, may not be completed until Saturday, it was indicated Thursday. The coroner's inquest has been indefinitely continued, awaiting the report of Dr. W. D. McNally, the chemist.

Mr. McNally said later that the first phase of the analysis would be completed Thursday and then he would report to the coroner. Some foreign substances, previously reported to be mercury, had been found, he admitted without disclosing their nature, but intimated that his report at this time would be able to indicate whether such foreign agencies had been present in sufficient quantities to cause death.

NAVAL FLEET PREPARES
FOR ORIENT MANEUVERS

By Associated Press
San Francisco.—With half of the period of the visit of the United States grand fleet in San Francisco Bay already past, preparations were made Thursday for departure April 15 for the extensive joint maneuvers with the army in Hawaiian waters and the long trek to Australia that will begin in July.

With less than a week in which to attend all details incident to the departure and cruise to the western outpost, fleet officers kept the motor-sailers of the vessels on a constant run, and the bay assumed the busiest aspect it has had in some time.

COOLIDGE ANSWERS PERU
ON TACNA-ARICA AFFAIR

By Associated Press
Washington.—President Coolidge's reply to Peruvian memorial in connection with Tacna-Arica arbitration case was delivered Thursday to the Peruvian ambassador. The reply, together with the memorial will be made available for publication on Friday.

The communication was delivered to the embassy by a state department messenger. It was signed by Mr. Coolidge as arbiter and countersigned by Frank B. Kelogg as secretary of state. It was accompanied by a covering letter addressed to the ambassador.

PREMIER MAKES
HIS LAST STANDFighting for His Political Life,
Herriot Accuses Treasury
Bitterly

By Associated Press
Paris.—Premier Herriot, suddenly assuming the offensive in the chamber of deputies Thursday made sweeping charges of faulty administration of the treasury against every government since the armistice, blaming them for the present financial crisis. Turning upon his accusers, who have had him fighting bitterly for his political life the past few days, he took the rostrum and began a stirring speech in which he promised to reveal all the intimate secrets of the French treasury.

It was forecast in cabinet circles before the session that if the premier's reception in the chamber and in the senate, which he also planned to speak, was such as to make the government's position look dubious he might resign without awaiting a vote.

"You're the first government since the armistice that has obtained from the bank money illegally in circulation. Your predecessors kept within the law interrupted former Minister of Commerce Pierre Flan-

The Morgan loan of \$100,000,000 still is untouched," Premier Herriot, he explained he preferred holding it in reserve not considering the present situation critical enough to warrant its use.

Deputy Marsel Cashin, communist, asked if it were true that in the past two months seventeen billion francs in French securities and currency had gone to Italy alone. Premier Herriot refused to give answer but said there had been a large flight of capital abroad recently.

6 DEAD, 3 MISSING AS
OCEAN LINERS COLLIDE

London.—A Lloyd report from Flushing says that six members of the crew lost their lives when the Dutch steamer Jonge Catharina was sunk in collision with the steamer Clan Monro, and that three men are missing. The dead have been landed at Flushing.

Fifteen members of the Jonge Catharina's crew have been saved, according to the report.

Ohio Governor Consents
To Penalty For His Son

Zanesville, O.—Hal Donahay, 19-year-old son of Governor Vic Donahay, Thursday was fined \$100 and costs by Judge Clarence Gibson for contributing to the delinquency of Miss Eillian Vogel, 15-year-old Zanesville girl whom he took to Columbus Sunday night.

He was remanded to the custody of the sheriff until the fine was paid, he also was placed under the control of the juvenile court until he is 21.

Miss Vogel was placed under probation of the court for the next 12 months.

Whereabouts of the girl remained a mystery from Sunday night until

WILL NOT HONOR
SOVIET TO HELP
OIL INTERESTSAmerica Doesn't Consider Russ
Grants to Japan Contrary
to Open Door Policy

SINCLAIR IS DISAPPOINTED

Demands United States Pro-
test Against Nippon's Mo-
nopolistic Efforts

BY DAVID LAWRENCE

Copyright 1925 by the Post Pub. Co.
Washington, D. C.—The United States government does not constitute the Japanese Russian agreement with respect to oil concessions in the northern half of Sakhalin as a violation of the "open door" policy in the Far East.

The cancellation by soviet Russia of its concession to the Sinclair oil interests because the latter could not "deliver" recognition of Russia by the American government is considered here to be a natural sequel of the failure of the soviet to get American recognition on the one hand and the enterprise of the Japanese in taking advantage of a situation in which they found it to their interest to recognize Russia.

Although the Sinclair oil interests are disappointed and naturally feel that the American government should enter a protest against monopolistic efforts on the part of the Japanese, the opposite view is taken by the government here.

FORBIDS CLAIM

First of all, the American government under almost parallel circumstances supported an American oil operator who secured a concession in China recently. It was held that the "open door" policy forbade any general claim of superiority by any nation with respect to economic rights but it does not prevent any company from developing exclusively a certain area.

In other words, the Japanese have obtained 460 square miles, and American officials are unwilling to believe that in an island of nearly 20,000 square miles supposed to be abundant in oil that this is a monopoly.

Out of the 460 square miles, the Japanese have been working only 10 square miles in the last five years and have not succeeded in getting more than 5,300 barrel production which is not considered a very large achievement, as oil fields go.

Japan owned the southern half of Sakhalin and occupied the northern half as a reprisal against the massacre of Japanese. America acting as a sort of trustee for the Russian empire tried a few weeks ago to persuade the Japanese to return the island to Russia.

Now, however, the Japanese have recognized Russia, and the soviet is parties to the agreement whereby the concession is given so there can be no claim in international law that any advantage has been taken of Russia by Japan.

The soviet gave the Sinclair interests the same oil concession three years ago, but cancelled it in the Moscow courts a few weeks ago. The Sinclair had failed to persuade the American government to recognize the soviet government. American officials looked askance at that provision in the original contract made by Sinclair and never gave him the slightest reason to believe that recognition would be hastened away for oil concessions.

Taken To Prison
Polar Freak and Oil Swindler Takes Last Look of Sur-
roundings Before Leaving for 14-Year Stay at
Leavenworth

Dr. Frederick A. Cook (left) once acclaimed by the world as the discoverer of the north pole, is now an inmate of the federal penitentiary at Ft. Leavenworth. Cook is shown here on his way to prison in custody of Sam L. Gross of Dallas, Tex., U. S. marshal.

Sailstad Gets Parole
But Can't Reach Girl

By Associated Press
Green Bay.—Edward J. Sailstad, who with Dorothy Anderson was convicted of a charge of arson on Dec. 29, 1923, and sentenced to four years at the Green Bay reformatory, was granted a parole by the state board of control, it was announced here Thursday by Earl H. Eklund, superintendent of the institution.

Sailstad will be paroled after superintendent Eklund and the state parole agent secure a suitable position for him, in accordance with the rules. The board agreed upon parole Wednesday following a closed session lasting for over two hours. It was Sailstad's second parole application since he began serving sentence more than 15 months ago. The first application was denied.

The paroled man, whose criminal case was perhaps the weirdest ever recorded in the court records of the state will not be able to join his sweetheart and "Sunshine Girl," Dorothy

Anderson, now serving her four year sentence at the woman's industrial at Taycheedah, for the board said that no paroles would come up at that institution for several months at least.

The Sailstad case rivaling in plot some of our best sellers, covered a period of two years before the trial began. The Eau Claire phonograph manufacturer, now scarce 30, disappeared one night after the burning of his summer cottage at Lake Nebagamon near Superior. A charred corpse was found in the ruins of the cottage, with Sailstad's watch and other belongings and was announced to be his. Insurance companies investigated the story and found that the body was not that of Sailstad, but of a friend buried a few days before.

A nationwide search was instigated for the missing man and after two years he was identified by a student in Napa, Calif., where he was working as a typewriter repairman. The "Sunshine Girl" was with him.

Authorities at Superior were notified and the couple were returned there, where Sailstad confessed. He told how he and his sweetheart dug up the body of a friend and took it to his cottage and burned it.

His reason for committing the act, he said was that his wife who is now Mrs. Charles Richardson, might collect his insurance. One insurance company is said to have made a settlement with Mrs. Richardson for \$25,000. Mrs. Sailstad was granted a divorce shortly after he was convicted and then she remarried.

FOREST FIRES SWEEP
NEW ENGLAND STATES

Boston.—New Hampshire, Massachusetts and Rhode Island have been affected by spring forest and brush fires with damage running into thousands of dollars. Three million feet of standing and cut timber were burned yesterday at Deerfield, N. H. At Ashland, N. H., 50 acres of timber were burned and at Roseauville 40 acres. Six towns of Rhode Island were the victims of brush fires. Five dwellings were destroyed and large areas of woodland were burned over. The fires occurred in East Greenwich, West Greenwich, Warwick, West Warwick, Coventry and Smithfield. At Whitteville, Mass., 500 acres of woods and scrub growth were burned.

NOTED SINGER, FORMERLY
OF FOND DU LAC, IS DEAD

San Francisco, Calif.—Mrs. Abbie Gertrude Lewis, 62, who at one time was considered one of America's leading coloratura sopranos died here Wednesday night.

Mrs. Lewis made her debut in Italy and was well known in England, France, Italy, New Mexico and the United States. She formerly lived in Fond du Lac, Wis.

SLAYER FAINTS
AS JURY READS
HATED VERDICTShould Matricide Ever Escape
Asylum, Murder Charge
May Be Pressed

GIRL DENIES INSANITY

Her Attorney Deliberately Pro-
vokes Her to Fits of Anger
So As to Save Her

By Associated Press
San Francisco.—Dorothy Ellingson, 17-year-old slayer of her mother, was found insane by a jury in superior court here Thursday.

The verdict was that the girl will be committed to an asylum. The murder case, for which another jury had been impaneled and held in readiness, pending determination of the girl's sanity, now will be held in abeyance indefinitely. Should she ever be released from the asylum, the murder charge may be tried.

The vote of the jury was 11 to 1 for insanity. The jury retired at 10:25 a. m. and reported shortly after 11 o'clock that it had reached a verdict. As the verdict was read the girl fainted.

She shot her mother Jan. 13, after the mother had objected to jazz parties and a life of indolence. The girl was bitterly opposed to the efforts of her attorneys to have her adjudged insane and had sided with the prosecution in its opposition to the move.

IS UNCONSCIOUS
The girl was unconscious when the jury was polled and after the court was cleared. She made no outcry. Her head fell back and she rested in the arms of a matron.

The unschooled temper of Dorothy that element in her makeup which was responsible for discord and death in the Ellingson home, threatened to disrupt an orderly superior court insanity proceeding against the girl Thursday.

In a farcical Wednesday the young murderess disrupted the insanity proceedings against her when she out of the concluding arguments of her attorney with the remark, "I could choke you."

A recess halted the girls remarks. The attorney invited the wrath of his young client when he tried to support his insanity argument by detailing events and clandestine acts in the life of the girl who has admitted that she was a frequenter of San Francisco's night life.

BALFOUR UNDER GUARD
AFTER HOTEL STONING

By Associated Press
Damascus, Palestine.—The night passed off quietly after the stoning of the Victoria hotel, where the Earl of Balfour is staying. Police remained on guard after the mob had been dispersed. It is understood that a big demonstration has been arranged for Thursday. All the bazaars are closed. Lord Balfour remained at the hotel Thursday morning. He will be escorted Thursday night by General Sarrail, the French high commissioner, and will continue his tour of the Holy land Friday when he leaves for Baalbek, Syria. Lord Balfour had been carefully guarded throughout the seven hour journey from Haifa to Damascus. His guards were Syrian gendarmes, who replaced Palestinian gendarmes at the frontier. Sentries were on duty at all the stations along the route.

INVITE CITY DADS TO C. OF C. DINNER

Directors Decide to Investigate
Street Curve Plan Before
Taking Part in Issue

Appleton city officials and several leading farmers of the county will be guests of the chamber of commerce at the fellowship dinner and annual meeting Tuesday at Hotel Appleton, according to a decision of the board of directors at a meeting in the chamber offices Wednesday evening. Phil A. Grau of Milwaukee is to be the speaker.

The program for the annual meeting was discussed in detail and the board decided to have only brief reports made by the officers. The full review of the year's work will be printed in booklet form and issued to the members later.

Requests for support of 120th Field Artillery band according to a new plan was contained in a communication addressed to the board. The band director will be invited to meet the board personally later so the proposition can be considered.

No part will be taken by the chamber in the fight between taxpayers and the city council over the proposed wide radius curves on street to be paved. The chamber decided to investigate the situation first, and perhaps offer to obtain expert engineering advice as a means of obtaining the best paying methods according to traffic demands.

J. H. Neller, chairman of the retail committee, reported on the Good Friday meeting at which merchants agreed to permit employees to attend church services if they desired. Louis Bonini reported as chairman of the community welfare committee on the tornado relief campaign by which \$1,013.27 was obtained.

The principles of business conduct as proposed by the Chamber of Commerce of the United States were adopted for the chamber of commerce itself in line with the policy followed by private concerns.

38 SAY THEY'LL LEARN PLUMBING

Forty-five men attended the four dayman plumber's class in Appleton vocational school Wednesday evening, and thirty-eight of them signed up to continue the course to its end. This indicates, according to Finley Martin, who conducts the class, that Appleton vocational school will have the largest attendance in this branch of any school in the Fox river valley.

Although there is little room left in the class for more students, Mr. Martin has announced that eligible men who were unable to attend the first class for registration may enroll at the next one, which will be held at 7:30 Wednesday evening.

Future classes all will be held at the same time on Wednesday of each week, and the course will continue into the latter part of June.

A discussion of the history of plumbing and the ethics of the trade occupied the first class. The remainder of the time was spent in registering and organizing.

CONTINUED FROM PAGE 1

COUNCIL REJECTS ALL PAVING BIDS

stated that the committee had inspected the radii corners marked by the city engineer and had found they would not be beneficial to the property owners and residents on the streets affected. Therefore, he said, the committee had formulated the resolution presented to the council by Alderman Richmond.

Mr. Murphy told the mayor and the council that while lowest residents had not been informed of the radical changes planned at street intersections in time to prepare for concerted action, he was convinced that they were fully in sympathy with the resolution of the Third and Fifth ward taxpayers. He said the matter concerned the entire city and that he believed general opinion in the city at large would favor Mr. Richmond's resolution.

Up to this point all arguments centered about the 30 foot radii, and the chief arguments of the opposition was "Go look at the actual measurements on the intersection laid out by the city engineer in your own ward."

Joseph Grassberger, Cherry street resident, launched an attack on the mayor and aldermen, declaring that 25 per cent of the residents of Cherry

and Richmond stood behind him. "It was unethical for that board of public works should take it upon itself to adopt the 30 foot radii without first informing the aldermen of their plans. If the plans as they now stand are carried through and the radii constructed, that will not end the matter," he shouted. "I hope the aldermen will all see their error before letting the contracts. It is no wonder the lie of the citizens is rising when they consider this and other recent acts of the mayor and council. If the new intersections are built as planned, the streets of Appleton will be even more like speed ways than they are now, so that schoolchildren, and the blind and aged would daily run the risk of being run down."

When Mr. Murphy requested proponents of the new idea to present their arguments Mayor Goodland took the floor. The mayor said the board of public works had traveled to several cities in Wisconsin and other states to study pavements there, and found in most of the new streets were built 40 and even 50 feet wide. Then he explained how the county highway commission had arrived at the sum of \$20,000 as county and for Cherry and Richmond streets. He said this sum would be insufficient and declared a request for more would be made. However, he said, there are other streets in Appleton which need it, and it would be unfair to grant it to Richmond and Cherry streets at the expense of others.

According to the mayor the bids received under the present program were the most favorable made in the state in ten years.

Cherry-st residents had opposed paving their street even before the radii were mentioned, the mayor said, but

now this question seemed to be the chief bone of contention. He averred it was immaterial to the mayor and council whether there was any radii, or whether the property owners cut off side streets completely if they so desired. "If they don't want the radii, I'll be the first to back down. I proposed them for the benefit of the taxpayers, and now it's up to the council."

DEATHS

MRS. P. B. ALLEN
Mrs. P. B. Allen, a former resident of this city died at her home in York, Neb., Sunday morning after a short illness. Mrs. Allen was the wife of Dr. Philo B. Allen, and after her marriage in 1860 came to Appleton with him, where he conducted a drug store and wagon factory. The couple resided here until 1870.

Her widower and four children survive. The children are Mrs. May Hofmaster, Lead, S. D.; E. H. Allen, Swan River, Manitoba, Canada; Walter H. Allen, White Pigeon, Mich.; Miss Olive Allen, York, Neb.

Dr. and Mrs. Allen celebrated their sixty-fifth wedding anniversary on March 21.

JOHN L. MCGILLAN
John L. McGillan, 88, 338 N. State-st., died Thursday morning after a

brief illness. He was a resident of the county for 60 years and lived in Appleton for 40 years. He is survived by one niece, Miss Mary McGillan, two nephews, Edward McGillan and Frank Murphy, all of Appleton. Funeral arrangements will be announced later.

PATRICK ROHAN
Patrick Rohan, 88, died Wednesday evening at his home in Bear Creek following a paralytic stroke. Mr. Rohan was born in County Clare, Ireland, in 1837, and came to America with his parents, Mr. and Mrs. Wil-

liam Rohan, when he was eight years of age. He lived in Kenosha for a short time and then moved to Ohio, where he lived until 70 years ago when he moved to the town of Lebanon. He made his home in Lebanon until his marriage in September, 1871, to Miss Mary Murphy of New London. They moved on a farm in the town of Bear Creek, where he resided until he moved to the village of Bear Creek five years ago. Mrs. Rohan died about 23 years ago. He was married to Miss Mary Langan of Northport in September, 1895.

Mr. Rohan is survived by his widow, eight sons, William of Withee, Thomas of Heddington, N. D.; Michael of Kenosha; Patrick of Bear Creek. James of Superior; John of

Montic, Edward and Frank of Bear Creek; five daughters, Mrs. Elizabeth Stevens of Montic, Mrs. Mary Sackett of Rhineland, Mrs. Cecelia Jolin of Cloquet, Minn., Agnes and Catherine Rohan of Bear Creek; one sister, Mrs. Elizabeth Madden of Lebanon. Funeral services will be held at 10 o'clock Saturday morning at St. Mary church at Bear Creek, with the Rev. M. A. in charge. Interment will be in St. Mary cemetery.

Blackheads Go Quick
By This Simple Method
Blackheads—big ones or little ones—soft ones or hard ones—on any part of the body, go quick by a simple method that just dissolves them. To do this get about two ounces of calomine powder from your druggist—sprinkle a little on a hot, wet cloth—rub over the blackheads briskly for a few seconds—and wash off. You'll wonder where the blackheads have gone. Pinching and squeezing blackheads only open the pores of the skin and leave them large and unsightly—while the simple application of calomine powder and the water dissolve them right out, leaving the skin soft and the pores in their natural condition. adv.

BUSINESS SLOWS DOWN WHILE CITY BOWS IN PRAYER

Employees in Stores Permitted to Attend Services on Good Friday

Employees in most Appleton stores will be permitted to attend church services on Good Friday and several stores plan to close several hours in the morning. Services will be held at 10:30 Friday morning in First Congregational church with pastors of several local churches taking part. Dr. H. E. Peabody, pastor of the Congregational church, will deliver the invocation, which will be followed by the scripture lesson and prayer by Dr. Virgil Scott, pastor of Memorial Presbyterian church.

Mrs. H. W. Meyer and Mrs. S. W. Murphy will sing solos and several hymns will be sung by the audience. The Seven Last Words will be discussed by local pastors. The texts: "Father, forgive them, for they know not what they do," the Rev. J. A. Bernhardt; "Today shalt thou be with me in paradise," the Rev. W. R. Wetzel; "Woman, behold thy Son," the Rev. H. E. Peabody; "My God, My God, why hast thou forsaken Me," the Rev. E. M. Salter; "I Thirst," the Rev. Edward Nuss; "It is finished," the Rev. J. L. Menzner; "Into thy Hand I commend My Spirit," the Rev. A. T. Erickson.

The Rev. H. A. Bernhardt, pastor of Emmanuel Evangelical church, will deliver the benediction.

MUSICAL PROGRAM FOR KIWANIS ENTERTAINMENT

A musical program was presented at the regular luncheon meeting of Appleton Kiwanis club Wednesday noon in Hotel Northern. Miss Isabel Wilcox, accompanied by Miss Irma Sherman, sang several solos and a group of violin selections were played by Wenzel Albrecht. The three are from Lawrence Conservatory of Music.

The attendance prize was won by John Steven, Jr., who attended the meeting as the guest of the president, J. L. Johns.

WOMEN SCRIBES OF FOX VALLEY MEET AT NEENAH

Further plans for organizing writers and journalists of the Fox River valley will be made at a meeting at 6:30 Wednesday night at the Sign of the Fox in Neenah. The first meeting was held last month in Appleton and Miss Muriel Kelly was chosen chairman, pro tem. The meeting Wednesday night will be open to women and girls interested in writing, or connected with publications.

Reservations must be made with Miss Clara Bloom, editor of the Neenah Daily-News-Times, by Tuesday noon.

"Just Rub It On"

Croup Relieved Without Dosing

Too much dosing is harmful to a child's delicate stomach. Often it lays the foundation for ill health in later life.

The next time a child seems croupy in the evening apply Vicks Vaporub over throat and chest and cover with a warm flannel cloth. Leave the bedclothing loose about the neck so that the arising vapors may be freely inhaled. This usually prevents a night attack.

If croup comes on without warning an application of Vicks usually brings relief in 15 minutes.

Vicks can be applied freely and often, even on the youngest child with perfect safety.

H. A. DeBaufer, 903 E. College-ave, garage.
Paul Kralein, 1042 W. Fifth-st, garage.
Louis Solig, 414 E. Commercial-st, rebuild garage.
William Knight, 1513 S. Jefferson-st, remodel porch.

CHURCH MEETS EARLY FOR BUSINESS SESSION

Members of the First Congregational church will hold a brief business meeting previous to the annual Easter sacramental service Thursday evening. The business session will be held at 7:15 in the junior Sunday schoolroom and the service of worship will start at 7:30. Members who are to be received into the church Easter Sunday will be voted upon as part of the business to be transacted.

"Gets-It" Removes CORNS Quickly

Stops All Hurting Instantly
(Liquid or Plaster)

Every man or woman who still has corns or callouses ought to try "Gets-It" and see how marvelously it works. Corn pains stop. The corn or callous shrivels up, it comes out complete and gives blessed relief. Your satisfaction is guaranteed. Sold everywhere. Costs but a trifle. E. Lawrence & Co., Chicago.

COURT TAKES ASSAULT CASE UNDER ADVISEMENT

A hearing in the case of Raymond Karwick, charged with a statutory offense against a girl 13 years of age was held before Judge A. M. Spencer Thursday morning in municipal court. The court took the case under advisement and will dispose of it within a few days.

Close Offices
Offices of the Aid Association for Lutherans will be closed all day Friday in accordance with the annual custom of giving the employees a holiday on Good Friday so they may attend church. Several who reside out of the city will go to their homes to stay until Monday.

RAIL CLERKS ELECT DAVIS AS DELEGATE

T. B. Davis was appointed delegate at the meeting of the Brotherhood of Railway Clerks Wednesday evening in Trades and Labor hall to attend the national convention in Kansas City beginning May 4. J. R. Mollen was chosen alternate. The convention will last for two weeks.

Lost Her Purse
Appleton police department was asked Wednesday by an aged woman to find her lost purse. She is Mrs. Mary Vanderwa, who lives on rural route No. 7. She described it as a black leather handbag containing her name and about \$12.50 in cash.

6:30—Commandery of Knights Templar, dinner, Masonic temple.
8:00—Odd Fellows, Odd Fellow hall.
8:00—Fidelity chapter of Eastern Star, Masonic temple.

WEAK, RUN-DOWN NERVOUS, DIZZY

Mrs. Lee Suffered From All These Troubles, but Lydia E. Pinkham's Vegetable Compound Made Her Well

Terre Haute, Indiana.—"I was weak and run-down and in such a nervous condition that I could hardly do my work. I was tired all the time and dizzy, had no appetite and could not sleep. I tried different medicines for a year but they did not help me. Then my husband saw the ad. for Lydia E. Pinkham's Vegetable Compound and had me take it. I regained my strength and never felt better in my life. It completely restored me to health. I had practically no suffering when my baby boy was born and he is very strong and healthy. I know that the Vegetable Compound is the best medicine a woman can take before and after child birth for health and strength. I would be willing to answer letters from women asking about the Vegetable Compound."—Mrs. Wm. J. Lutz, Route E, Box 643, Terre Haute, Indiana.
Lydia E. Pinkham's Vegetable Compound is a dependable medicine for all these troubles.
For sale by druggists everywhere.

PARTIES

Andrew Gengler, route No. 5, Appleton, who is leaving for the west was entertained at a farewell party Sunday evening. Cards and games furnished entertainment. Prizes at cards were won by Philip Kurey and Jacob Gengler. Among the guests were: Mr. and Mrs. Philip Kurey, Mr. and Mrs. Anton Werner, William McIlhenny, Jacob Gengler, Leonard Probst, Henry Klemmerman, Louis Williams, Charles Schaefer, Max Wolf, Frank Kehl, Margaret Uman, Sylvester Phillippi, Genevieve Werner, Edward Gengler, Margaret Gengler, Edwin Schroeder, Andrew Gengler, Jr., Norbert Gengler, Andrew Gengler, Sr., Joseph Gengler, John Schaefer, Theresa Uman, Lawrence Kurey, Lorraine Kurey, Lucille Kurey.

Because of inability to obtain an orchestra of the desired calibre for next Monday evening, the social committee of Elk club has postponed the dance scheduled for Monday until Wednesday evening, April 22. Elaborate arrangements are being made for the party.

Hannum Talks On India At Sunday Cozey

Prof. Robert Hannum of Lawrence college will lecture on India at the cozey at Appleton Womans club Sunday afternoon. He will use stereopticon slides to illustrate his lecture. The clubhouse will be opened at 4:30 for the convenience of the girls, but Prof. Hannum's address will not start until 5 o'clock. Miss Martha Chandler, director of the recreation department, will be hostess and supper will be served by the social committee of Sports Council.

CHURCH SOCIETIES

The regular monthly communion service of Holy Name society of St. Joseph church has been postponed from April 12 to April 19. There will be reception of new members at that time.

Sell Easter Eggs To Help Fund For Poor

Mrs. Charles Smith is chairman of the committee in charge of the Easter egg sale to be given by the Auxiliary of Catholic Order of Foresters Friday and Saturday at Geenen Dry Goods Co. store, Gloudehans-Gage Co. store and Ryan and Long plumbing shop. Arndt, Mrs. Thomas Long, Mrs. John Riedl, Mrs. John Roach, Mrs. C. Heckel, Mrs. C. Gosz, Mrs. Patrick Heenan, Mrs. E. J. Walsch, Mrs. F. J. Rooney, Mrs. George Merkel, Mrs. Reinhard Wenzel, Mrs. George Woolz, Mrs. Joseph Greulich, Miss Margaret McCormick, Miss Margaret Schell, Mrs. Karl Schuetter, Mrs. A. Wittlin and Mrs. J. McDan, Iels.

One Act Play At Dinner For Scout Mothers

The stunt and decorations committees and the ticket teams have started work on the mothers and daughters banquet which the recreation department of Appleton Womans club will give April 16 in the high school gymnasium. Clubs and classes in the department have started, to compose yells and songs for the occasion.

The program also will include a one-act play, "Thursday Evening," directed by Miss Doris Ewell. Those who will take part in it are Robert Currie, Edna Schulz, Dean Chamberlain and Molly Boehler.

One of the slogans adopted for advertising the banquet is "If you haven't a mother, adopt one."

About 55,000,000 animals were slaughtered for meat in the United States last year.

MARRIAGE LICENSES

Marriage licenses were issued on Tuesday and Wednesday by John E. Hantschel, county clerk. Robert Miller, route 5, Green Bay, and Miss Jeanette Brill, Appleton; John Drall and Miss Anna Eichinger, both of Appleton; Alvin Bergman and Miss Catherine Schilhabel, both of Appleton.

Bachelors were taxed by the British Parliament in 1835. The tax amounted to 12 pounds a year for bachelors.

GEENEN'S

**DIVORCE DECREES
SELDOM END LOVE,
SAYS WISE JUDGE**

Contrary Often Is True, Experience Shows, Veteran Has Observed

San Francisco — Divorce does not necessarily mean that husband and wife have ceased to love each other; in fact the contrary often is true, in the opinion of Judge Thomas F. Graham, known locally as the great reconciler.

Judge Graham has been hearing divorce cases for 24 years. "It has been my experience," he said recently, "that love is not always dead and when a woman sues for divorce, I believe that 98 per cent of the women who get divorces leave the court room with heavy hearts. They love the men they have just divorced. I believe that when a woman once loves a man, she never ceases to love, even though she may testify most bitterly against her husband.

"A man does not have the power of expression of love that a woman has. Yet that love is there and it endures. When a father deserts his children, he is arrested. Almost as many mothers desert their children, yet we seldom hear of their arrest for abandonment. They should be."

Gambling in itself is not cause for divorce, Judge Graham holds. "There are few homes indeed," he pointed out, "where husband or wife doesn't play poker, mah jong, bridge or some other game of cards for money or prizes. But when the wife squanders her husband's income on bridge or mah jong, or the husband spends all his time and money at the gaming table and stays out all hours of the night, gambling becomes a ground for divorce in this state on the charge of cruelty."

The judge expressed pity for the wife "who stays at home nights waiting for her husband to come home for dinner and he does not come until the dinner is cold; spoiled, in the opinion of the wife. And there never was a wife who did not take pride in the dinner she prepared for her husband. The hard husband inflicts a form of cruelty on his wife that causes her more suffering than the lash of a whip. She has a good ground for divorce."

"So has the wife whose mental suffering is caused by the man's staying out until the early morning hours. Every day we read in the newspapers of men slugged and robbed, sometimes killed, while returning home at night. Imagine the state of mind of the wife who waits hour after hour for her husband to come home and he does not appear. Night after night many a wife endures that sort of thing. Finally she comes into the divorce court to get freedom from the man she really loves better than any one in the world."

West College Ave.

**American Humor Too Deep
For This Czech Diplomat**

BY HARRY R. HUNT

Washington—It takes more than a diplomat, in the opinion of Dr. Pavel Stransky, second secretary of the Czechoslovak legation, to appreciate American humor.

Humor, Dr. Stransky says, is supposed to be funny. But to date no one has been able to convince him there was anything resembling fun in the prank for which he was made the butt April 1.

"I know April 1 is supposed to be the time for jokes," Stransky protests, "but why pick on me?"

The occasion for the diplomat's distress was the gathering at a fashionable supper club on the evening of April 1 of some 30 guests, including debutants, diplomats, White House aids and army and navy officers.

"We are here," they said, "to attend Dr. Stransky's dinner."

"The doctor has made no reservations," explained the headwaiter.

Then the significance of the date dawned upon the guests. Someone got in touch with Stransky to confirm or disprove that suspicion. He was prostrated with confusion and regrets.

"I sent no invitations," he said, "I am astonished. Someone have thought to play—what you call a joke."

Privately, however, Stransky doesn't refer to the matter as a joke. He can only describe it by a Czech word of fourteen consonants and three vowels which sounds like a minnenwerfer explosion.

The latest conflict between executive and legislative authority in the government is the defiance, by Secretary of Navy Wilbur, or orders by Comptroller General McCarl regarding back pay due certain navy officers.

McCarl had held the transfer of these men from the regular navy to the fleet reserve had not been according to Hoyle and that they could not legally be paid.

He persisted in this decision despite a contrary report by the Department of Justice.

After all, he said, his office was not responsible to either the Navy Department or the Department of Justice, but only to Congress, and that despite anything the executive departments could do about it these bills would not be allowed.

For more than two years McCarl had blocked these payments. Now Secretary Wilbur, in what is described as "a declaration of independence from the rule of McCarl," has ordered the payments made.

The ensuing fireworks, if McCarl lives up to his reputation as a fighter, may make the contests between even the Senate and the president seem like colorless, tame affairs.

**MENZNER RESIGNS
PASTORATE HERE**

Announcement was made Thursday of the resignation of the Rev. J. L. Menzner as pastor of the German Methodist church, W. Hancock and N. Superior-sts. Mr. and Mrs. Menzner will continue to make Appleton their home and Mr. Menzner will continue in charge of the church at Clayton.

The Rev. Mr. Menzner has been stationed here for about six years and has been an active worker in religious circles. He was a leader in Y. M. C. A. activities and has interested himself in the work of Appleton Ministerial association.

**FOND DU LAC SEEKS
\$60,000 FOR Y. M. C. A.**

George F. Werner, general secretary of Appleton Y. M. C. A., left Thursday morning for Fond du Lac where he will visit the Y. M. C. A. in connection with the financial campaign now being put on there. Money is being raised to cover a small deficit and to take care of the larger activities of the Fond du Lac association for the next three years. Almost \$25,000 of the \$60,000, which the Fond officers are working for, was raised the first day.

G. L. Goodwin, a member of the financial bureau of the national council of the Y. M. C. A., is in charge of the campaign. Mr. Goodwin conducted a successful membership campaign of the local association a few years ago.

**Y. M. C. A. CLOSING FOR
2 HOURS ON GOOD FRIDAY**

All activities of the Y. M. C. A. will be closed between 10:30 and 12:30 on Friday morning because of the services in the various churches. Not only will the activities be closed but no desk service will be offered. The cafeteria will be open at the usual hours, however.

H. Well, Campbell, Mass., was here on business Wednesday.

WAUPACA GARAGE OWNER BOUND OVER ON LIQUOR CHARGE

Edward Groholski Will Be Tried
at Spring Term—Jensen
Wins Farmington Office

Waupaca—Edward Groholski, proprietor of the Yellow garage, appeared before Police Justice Holst Wednesday on a liquor charge and was bound over to the spring term of circuit court in May. At the time of the spring term it is expected that many postponed criminal cases will be disposed of including the Arthur L. Valley case, the case of Dr. H. S. Fleischer and others.

Much excitement existed on election day in the town of Farmington. It had been said throughout the state that the proposed extension of the power unit at Cobtown would probably be made to the cottages at Chain o' Lakes and P. C. Jensen, who won the supervisorship of the town was behind the movement to have extension made. Mr. Jensen was elected and the issue is believed to have won him votes over his opponent, Knud Olson. This proposition has generally been talked of each year and this time had become quite an issue at the polls.

Marriage licenses issued the past week were to the following couples: Louis A. Bauer, Bloomfield, and Lydia Sander, Fremont, Howard Allen, Embarrass, and Dolores Myer, Embarrass; Harvey Clifford Nygard, Scandinavia, and Belva Alida Tressness, Iowa; James Jensen, Waupaca, and Verna Jensen, Waupaca.

The most interesting feature of the election on Tuesday was the vote on the referendum on the purchase of a fire truck, which was carried by a small majority. The vote was as follows: First ward 53 for, 56 against; Second ward 103 for, 77 against; Third ward 37 for, 58 against; Fourth ward 64 for, 37 against; total 257 for, 223 against.

Godfrey beat Arters for alderman in the Second ward by 74 votes. The vote was: Godfrey 127, Arters 53. N. P. Peterson won over John Holm in the same ward for supervisor. The vote: Peterson 104, Holm 80.

Voters rejected the proposal to re-establish the office of county agent by a vote of 228 to 176. Vote by wards as follows: First, for 40, against 56; Second, for 61, against 32; Third, for 30, against 43; Fourth, for 45, against 46.

A total of 501 votes was cast in the city, less than 50 per cent of a normal vote. Heaviest balloting occurred in the Second ward in which there were contests for both alderman and supervisor. The vote by wards was as follows: First 111, Second 138, Third 91, Fourth 108.

O. E. Evenson, candidate for superintendent of school, won over Francis Higgins. The vote according to late returns was: Evenson 2391, Higgins 1489. The county agent proposal lost by a large majority throughout the county.

In the town of Waupaca the candidates that lost at the caucus also lost at the polls. Over 300 votes were cast, the largest on record. The election board used all ballots assigned the town and were required to ask the county clerk for more. Results were as follows: Chairman, H. H. Becker 170, Chris. Kragh 122; supervisors, two elected, Harrington 285, Suite 164; clerk, George Redman 156; Frank Lear 142; treasurer, L. M. Christensen 139, Chris. Josie 153.

WINIFRED WOOD WINS COLUMBIA FELLOWSHIP

GREENVILLE PAIR MARRIED 50 YEARS

Special to Post-Crescent
Greenville — Mr. and Mrs. Christ Julius celebrated their golden wedding anniversary on Saturday April 4 at their home in Greenville. They were married on April 4, 1875 at Appleton. The couple has six children, Jennie, Manda, Anna, Lucinda, Gusta and Frank. None of the children are married and all are at home.

Mr. Julius arrived from Germany when he was four years old. Mrs. Julius was born in New York. The family has lived on their homestead for 50 years and both Mr. and Mrs. Julius are very active.

The following attended the celebration: Mr. and Mrs. Henry Julius, Mrs. John Stiefel, Neenah; Mr. and Mrs. Sacker, Menasha; Mr. and Mrs. Charles Julius, Len and Harold Heinzel, Mr. and Mrs. August Julius, Mr. and Mrs. William Becker, Mr. and Mrs. Fred Knaack, John Julius, Mr. and Mrs. John Vaffie, Robert Winter, Mr. and Mrs. William Laudon, New London; Ora Winter, Appleton; Mr. and Mrs. Ernests Stark.

HOME TALENT PLAY NETS LEEMAN WOODMEN \$32

(Special to Post-Crescent)
Leeman—"The Little Clothopper," which was given at Modern Woodman hall Thursday evening, April 2, was a success and well attended. The proceeds went to the Modern Woodman lodge and netted \$32.60.

Mr. and Mrs. Raymond Larsen were Appleton callers Friday, April 3. Mr. and Mrs. Henry Leeman and Mr. and Mrs. Ora Fuller were callers at Galesburg Saturday.

J. H. Wolshegal and Henry Leeman were Clintonville callers Wednesday, April 1.

Dell Leeman and William Maede were in town Thursday from Suring to attend the funeral of Warren Fuller.

Royal Neighbor lodge met at the home of Mrs. Alma Theede Saturday evening.

Mr. and Mrs. Russell Cook of Wausau, and Mr. and Mrs. M. D. Dietzler and family of Galesburg were visitors at the Fred Ames home Sunday.

Mr. and Mrs. H. E. Spaulding have returned after spending a few days at Oshkosh.

Mr. and Mrs. E. H. Ames and son Myron were Nichols callers Friday.

Clifford Wolshegal gave a birthday party to a few of his little friends Saturday.

Ben Peterson is employed at Oshkosh.

F. J. Rooney, candidate for county judge, was in this vicinity Saturday.

SEYMOUR PRESS EDITOR IS ILL WITH PNEUMONIA

(Special to Post-Crescent)
Seymour—H. J. Van Vuren, editor of Seymour Press, is very sick with pneumonia at his home. He is under the care of a graduate nurse.

A surprise party was given at the home of Mr. and Mrs. George Tubbs. The occasion was Mr. Tubbs forty-first

birthday anniversary. Relatives and neighbors attended. Ward Hillegas of Chicago, is spending a week with his parents, Mr. and Mrs. C. W. Hillegas.

William Sterns and Miss Florence Hillegas of Tigerton were weekend callers here.

Mrs. and Mrs. Harry Van Vuren and family of Bonduel, attended the funeral of Mrs. Roy Van Vuren here Monday.

day. Guy Van Vuren of Chippewa Falls, also was here. Mrs. Herbert Tubbs is spending the week at Madison with her parents, Mr. and Mrs. August Glesler.

CAHAIL THE TAILOR

Stop those Roof Leaks—

Here are two Barrett Specialties that will give many more years of life to old roofs.

Barrett Liquid Elastigum, a compound of heavy, waterproofing material and asbestos fibres, makes the old roof lastingly storm-proof.

Barrett Plastic Elastigum, the "waterproof cement of a hundred uses," stops roof-leaks—repairs flashings, gutters, etc.—and sticks tenaciously to any surface.

**Barrett
ELASTIGUMS**

From long experience, we unhesitatingly recommend these two Barrett Products. Both come ready for use. Low in cost, they save you expensive roof-repairs later on.

If it's a question of roofs or roof-repairs, see us.

GETS NEW DATE FOR ELKS AT TOURNEY

Two Teams Will Be Sent to Wausau Tournament Next Wednesday

Kaukauna—Two local Elk bowling teams which were to roll Saturday in the state Elk tournament in Wausau have been granted an extension of time. The teams will roll next Wednesday instead. Several of the bowlers would have been unable to attend Saturday because of the business rush before Easter. The teams which will represent the Electric City will be composed as follows:

Electric City—H. William Johnson, Henry Minkbege, Paul A. Smith, Allan Peterson, Frank Hugenberg and Dr. R. J. VanEllis. Volsteads—Richard H. McCarty, William VanLieshout, Mike H. Nissen, Joseph J. Janzen and John Copes. The Volsteads have been organizing for about three years and every one of the men weighs more than 200 pounds. A few of the Volsteads have been warming on Hugenberg alleys during the last week and have made some of the city's best step to win.

TRINITY CHURCH HAS HOLY WEEK SERVICES

Kaukauna—Holy week services will be held Thursday and Friday in Trinity Lutheran church. German worship with communion will be conducted at 7:30 Thursday evening. Services in German will be held at 10 o'clock Friday morning. English worship and administration of Holy Communion will take place at 7:30 Friday evening. The pastor, the Rev. Paul Oehlert, was in Milwaukee Tuesday to conduct a noon day service in the Davidson theater.

LARGE CROWD ATTENDS EASTER CANTATA PROGRAM

Kaukauna—Enormous church was filled to capacity Wednesday evening when the annual Easter cantata was presented by the choir of the church. The choir consisted of about 24 voices. Among the soloists were Miss Edna Sager, Miss Olive Jacobson, Elmer Grimmer, Edward Hedding and Alex Jacobson.

BEG PARDON

Kaukauna—Gretchen Drlessen and not Lorette Drlessen won the privilege of representing the high school as piano soloist in the state preliminary music contest at Oshkosh. The error was the result of the similarity of the names and appeared in Tuesday's issue of the Post-Crescent.

MOVES TO SHIOCTON TO BE MAIL CARRIER

Stephensville—Mr. and Mrs. A. Van Straten moved to Shiocton Monday where the former will be employed as mail carrier.

Mrs. Carrie Davey and Miss Ruth Ross were at Appleton Friday, April 3.

George Froelberger of New London called on his sister, Mrs. H. Komp, Monday.

John Herman, Mr. and Mrs. William Ludwig and Miss Mary Casey attended the funeral of Frank Steffen at Hortonville Monday.

Philip Schwab, who spent the winter with a son at Seymour, was here the past week.

Philip Komp of Hartford, spent Sunday with relatives here.

Mr. and Mrs. Otto Krueger and Karl Kroeger visited William Kroeger's family.

Mrs. Ed Mathews of Big Falls, visited at the William Herbst home last week.

Mrs. P. J. Evers, Mrs. W. Basch and the Misses Mary and Catherine Casey were New London shoppers last week.

Mrs. Mike Mack of Shiocton, called at Roy Manley's Wednesday evening of last week.

Mrs. Clyde Main and son Clyde went to Minocqua the past week.

Mr. and Mrs. William Locke were at Appleton Friday, April 3.

Fourteen boy friends helped Gerald Jolin celebrate his eleventh birthday anniversary April 2. The evening was spent with games and music.

MEDINA PERSONALS

Medina—Mrs. A. Diether spent a few days here last week.

Mrs. N. Kohn was at Appleton for a day last week.

Arthur Jensen of Appleton, called in this place for an evening last week.

Prof. and Mrs. Raymond Ruppel and son of Waukesha, are spending their Easter vacation with relatives here.

Floyd Hauk of Hortonville, was a visitor in this place Wednesday of last week.

Mrs. Max Kemp and son Hamilton of Milwaukee spent the weekend with Mr. and Mrs. J. Leppa.

Little Arlene Nelson, daughter of Mr. and Mrs. Sam Nelson, has been ill for several days.

W. Colby made a business trip to Neenah, Wednesday of last week.

Mr. and Mrs. Rella Leppa and children of Port Washington, stayed at the J. Leppa home by illness for days.

Mrs. Floyd Clemons has been confined to her home by illness for the past week.

Miss Melva Yankee spent the week-end at Appleton.

Mr. and Mrs. Harry Pritchard of Shawano, spent Sunday at the A. Van Alstine home in this place.

NAME MILLER TO UNFINISHED TERM OF POLICE JUDGE

Council Accepts Putnam Resignation — Orders Soldiers' Grave Markers

Special to Post-Crescent
New London—The resignation of G. H. Putnam as local police justice, to take effect on Wednesday, April 8, was accepted by the city council Wednesday evening. Harlow Miller, who was appointed to fill the office Tuesday, was appointed to fill the office until May 1, when his regular term begins.

Orders were issued to the city clerk to order the necessary soldiers' grave markers, as requested by the local Woman's Relief corps, and while proposition has been pending for a few months. The city is to buy a number of markers to add to those purchased by the Relief corps, to place on the soldiers' graves in the local cemetery.

A parking ordinance probably will be passed soon. This is due to complaints against cars, which are left standing on the thoroughfares in certain parts of the city.

The city attorney has been instructed to look into the matter, and draft an ordinance which will eliminate the "nuisance."

Much complaint has also been received against stray dogs, which are causing considerable damage. An ordinance will be drawn up to prevent this.

The annual "clean-up week" has been set to commence Thursday, April 16. All residents are asked to leave junk, ashes, tin cans, and other rubbish, in a place accessible to the city wagons during the week, so that they may be hauled away without expense to property owners or residents.

The city concrete mixer was rented to the New London Motor Sales company, for use in erecting their new garage. The rental fee was set at \$10 per day.

The council authorized the mayor and city clerk to take charge of the city ball park during the coming season. Two teams will be in the field, and in order to avoid confusion, the managers of each team will have to go to one of the officials and arrange for their schedules.

Many letters of recommendation for the engineers applying for the local job have been received, and are being considered. The matter may be brought up at the next meeting.

One 15-ton car of calcium chloride was ordered, for use on the city streets during the ensuing year.

A petition for a strip of sidewalk on East Spring-st., a street light at the corner of Wallace and Mill-sts., and a petition from property holders on W. Cook-st., from Dorset, two blocks west to have the road repaired, were all referred to the board of public works.

An application for the installation of two gas pumps and a grease rack, by W. C. Benedict, was also referred to the board of public works.

Harry Paritt was granted a license to operate a popcorn stand.

Patrick Rohan, pioneer of Bear Creek, is dead.

Special to Post-Crescent
New London—Patrick Rohan, 80, a pioneer of Bear Creek, died at 8:30 Wednesday evening. The funeral arrangements have not as yet been completed.

Special to Post-Crescent
New London—Miss Julia Hoffman went to Oshkosh Wednesday to have her tonsils removed.

Mrs. Ad. Haase and son Gerald, Mrs. Lawrence Deacy and Mrs. J. P. Rosentretter spent Wednesday afternoon at Appleton.

Miss Alice Nulroy was at Appleton Wednesday.

The Rev. J. Schald Olson has accepted an invitation to judge an oratorical contest in the Weyauwega high school soon.

RELIEVES COUGH LIKE MAGIC
"FOLEY'S HONEY & TAR COMPOUND" is the only cough medicine that ever gave me relief. It works on a cough or cold like magic," writes Mr. George Forse, 3756 Bielow Blvd., Chicago, Ill. LUTHERAN MEN HEAR WAUPACA PRINCIPAL

Trinity Congregation Plans for Special Holy Week and Easter Services

Special to Post-Crescent
New London—Professor G. E. Watson, principal of the Waupaca schools delivered an address on the subject, "The Relation of the Public Schools and Religion," to the Men's Brotherhood of Holy Trinity Lutheran church Tuesday evening.

Reports were read, and plans to strengthen the efficiency of the organization were discussed at the meeting. Several new members were received. Musical numbers, including a vocal solo by the Rev. J. Richard Olson, pastor of the church, were rendered.

Extensive festival plans have been completed for the Easter services of both the congregation and Sunday school, Easter Sunday. Special music will be furnished by the enlarged senior choir, "I Live, Ye Shall Live" will be the text of the sermon, to be delivered by the pastor. The Ladies' Aid and Missionary society is arranging for special decorations.

The services at 7:30 on the evening of Good Friday will conclude the series of Lenten meditations. The theme of the meditation will be "Before the Cross of Christ." The junior chorus will furnish the music.

Social Whirl in New London

Special to Post-Crescent
New London—Women's Relief corps will have their regular meeting at Odd Fellow hall Friday afternoon.

Jolly Eight club met with Mrs. Roy Sawall Thursday afternoon.

STAGE And SCREEN

RICHARD DIX NEW PARAMOUNT STAR—FIRST STARRING PICTURE

Richard Dix has attained the heights—stardom. His first picture at the head of his own company is the Paramount production, "Manhattan," directed by R. H. Burnside from an adaptation of Jeffery Farnol's immensely popular novel, "The Definite Object."

In the picture Dix has the role of an active young New Yorker whose ancestors had left him more millions than he'll ever know what to do with. He is bored by the dull routine of the teas, dances and idle amusements of his set. More than anything else he craves adventure and the steady old island of Manhattan seems utterly unable to provide it. There's but one thing left to do and he does it—goes out in search of action. His quest brings him to a little kitchen section of the city and more thrills to the square foot than he ever dreamed were in store for him.

Jacqueline Logan plays opposite the star in the leading woman's role. Gregory Kelly, well known on the legitimate stage for his work in the Booth Tarkington plays, "Twentieth Century" and others and in "Little Jesse James," is also well cast as George Seligman, Gunboat Smith and a host of others just as prominent.

"Manhattan," one of Paramount's "Famous Forty," opens next Friday at the Appleton theatre.

FASHION ROW

"Fashion Row," described as the most sumptuous and entertaining of Mae Murray's pictures, will be shown at the Elite Theatre today and tomorrow. Miss Murray has the role of two sisters, one of them a Broadway actress who gives up her stage career to marry, and the other a Russian peasant girl. The arrival of Zita, and the appearance of a man who belonged to Olga Farnova's past, complicate matters for Olga.

Miss Murray's gowns and dances are high-lights of "Fashion Row," while there are many scenes of lavish beauty. Earle Foxe, Freeman Wood, Elmo Lincoln and Mathilde Brundage are in the cast. "Fashion Row" was directed by Robert Z. Leonard, director general of Tiffany Productions, of which M. A. Hoffman is general manager. Sada Cowan and Howard Higgin wrote the story for Miss Murray. Oliver T. Marsh was photographer, and Horace Jackson art director. "Fashion Row" is a Metro picture.

"CHAMP" CANUTT IN NEW PICTURE

The New Bijou Theatre is right up to the minute in the entertainment it offers its patrons, but this week's feature surpasses any previous western offered.

"Yakima Canutt, World's Champion Cowboy, winner of the Roosevelt Trophy against all comers, also five times winner of the Police Gazette Championship Diamond Belt, will be the star in "Branded a Bandit," an Arrow picture, at the New Bijou Theatre, Friday and Saturday.

For sensational stunts, unlimited nerve and daring and snappy action, "Branded a Bandit," is unsurpassed.

LAKE LEVEL IS LOWEST IN YEARS

Lake Winnebago is at a lower level than it has been in the last 20 years, in the opinion of an observer at Fond du Lac. The water line is at least 2 1/2 feet below that of last year, which was not a high mark.

It is held that the unusually low level is due to the scarcity of snow last winter, and the fact that many thousands of gallons of water have been drained off by the mills on the upper end of the lake. The usual drainage into the lake and tributary waters from melting snow and spring rains was much lighter this year, and as a consequence, more water was

TRAFFIC MANAGERS PLAN GATHERING IN CHICAGO

The annual meeting of Midwest Regional Advisory board will be held in Chicago April 15, according to an announcement by Robert Hula, general secretary. This body was organized by the industrial traffic managers of the area embracing Wisconsin, Iowa, Illinois and parts of Indiana and Michigan. The purpose of the board is to secure active cooperation between shippers and carriers wherever their interests join.

drained from the basin than was coming in.

A rise in the water level is expected in a few weeks during the usual April showers. The volume of water which the Wolf river is emptying into the lake is increasing every day from the melting snows in the northern part of the state, it is said.

As a result of these meetings there is said to have come a better understanding between the two groups. The carriers are at present, according to Mr. Hula, handling a larger volume of business than ever in the history of the railroads, and this is being accomplished with practically no delay or congestion, due to a large increase in expenditure for freight cars and engines.

MICHIGAN LAWYERS CLUB IS ELYSIUM FOR RESEARCHERS

Ann Arbor Completes Buildings
Thanks to Gift of
Alumnus

Ann Arbor.—The Lawyers club, designed by the University of Michigan to be the outstanding place in the western hemisphere for legal research, has completed its building. They are the gift of William W. Cook, a lawyer of New York and a Michigan graduate. Dean Henry M. Bates, of the Michigan law department, has said of this club:

"When the whole project is completed and operative we shall have an equipment and an organization for the development of lawyers of high class, lawyers fitted to become leaders, never before attained in legal education anywhere. When we shall have completed our library, outstanding among law libraries of the western hemisphere for its comprehensive scope, with the living rooms available for visitors, the opportunity for judges and practicing lawyers to come here and study their cases and prepare briefs will be so annual that a substantial stream of guests may be expected. They will have access to the great library, will have quarters in which they may dictate or consult with assistants and also opportunity to consult with the specialists in various legal fields who make up our law faculty."

The plans for the library, now only partly realized, include complete data on the legal beginnings of the United States; also on the beginning of all constitutional governments; activities of all constitutional conventions; complete records of all cases involving international law, and methods of procedure in courts of all countries on the

Furniture Co.

Only by studying the quality of these pieces can you appreciate what remarkable values they represent

All upholstered furniture looks much alike in newspaper cuts. Even in the actual pieces at first glance it is hard to distinguish between fine and cheap construction. It is inside quality in Karpen furniture that assures its sagless comfort and lasting economy. The webbing is stouter. The coils are of fine spring steel. The padding is of new materials. Every detail inside and out reflects Karpen skill and integrity in design and craftsmanship.

Coxwell Chair

Invites you to relax in its deep coil spring cushioning. Covered in mohair. Special for Karpen week only, \$65.

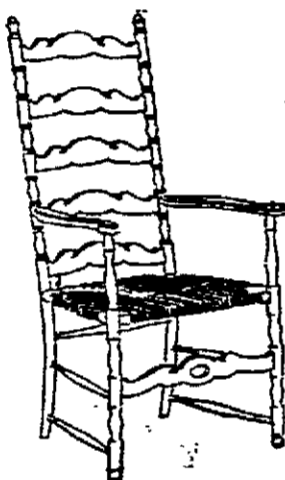

Quaint Windsor fiber-seat chairs

Side, arm and rocking chairs are shown in birchwood finish in mahogany, with handwoven fiber seats. The arm chair, \$18.75.

Early American Ladder-Back Chair

A charming example of Colonial design, in birchwood, mahogany finished. Seat in handwoven fiber. For Karpen Week \$20.75

A luxurious Davenport—a "hidden bedroom"

You want it for its beauty and comfort as a davenport alone. An easy pull and it becomes a full sized double bed. This Karpen Davenport Bed with Karpenesque removable spring cushions in mohair and brocatelle with plain velour on the outside. Special Mohair, \$155.25 Velour, \$114.50

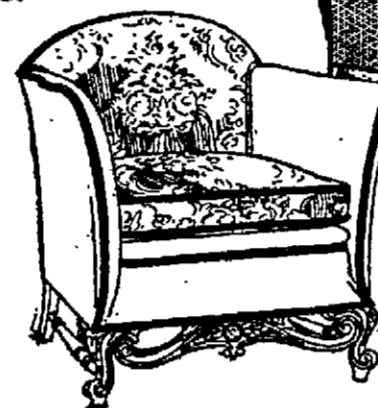

KARPEN DAVENPORT BED
A fine davenport and double bed combined

CARLETON CHAIR
\$52.75

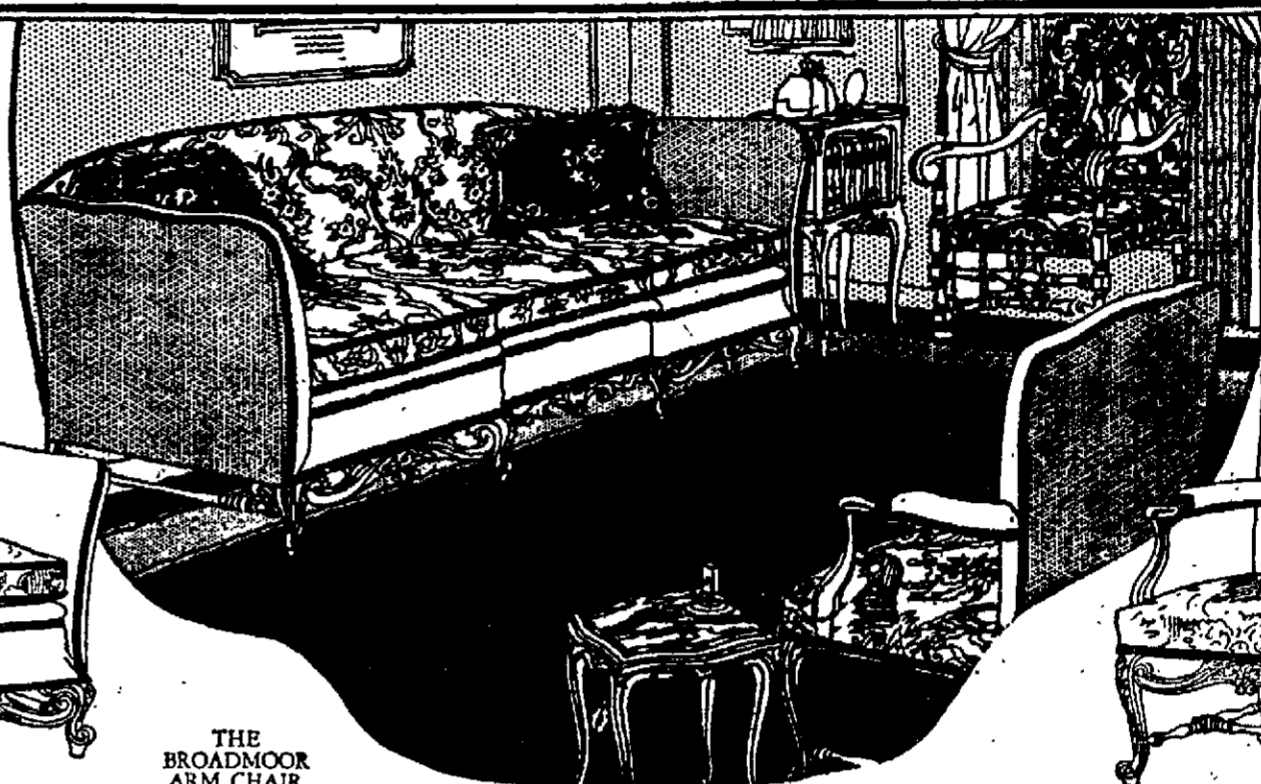

Unusual quality at its low cost
THE RENFREW GROUP—Typical of Karpen's ability to offer beauty for little money. Spring upholstery. Under-frame birchwood, mahogany finished. In plain and figured velour. Brocatelle on one side of the reversible Karpenesque cushions. The Carleton chair in tapestry with genuine mahogany frame completes the group of three. For Karpen Week, \$236.00.

THE BROADMOOR GROUP, in the center, is of French design with carved frames of selected brown mahogany. In-mohair and figured damask. The pillows of black satin have Crewel embroidery. The Louis XIV chair in personage tapestry completes the group of four. Offered during Karpen Week at \$621.25.

THE BROADMOOR ARM CHAIR
\$141.50

THE BROADMOOR HIGH BACK CHAIR
\$100.00

This Nation-wide event opens in this store, Saturday, April 11th

See the season's new designs in Karpen Furniture assembled on our floors for your inspection. Profit from the special prices offered only during Karpen Week—April 11th to 18th

Not in many months will you have an equal chance to acquire fine furniture for your living-room, library, hall and sun-room at such advantageous prices. Every piece shown bears the Karpen nameplate, assuring highest quality. Every price tag saves you money.

The purpose of this event is to acquaint more homemakers with the beauty, ease and quality of Karpen upholstered furniture—with the fine craftsmanship that marks Karpen davenport beds and Windsor chairs.

And, above all, with unequaled Karpen values, made

possible by economies from the world's largest production.

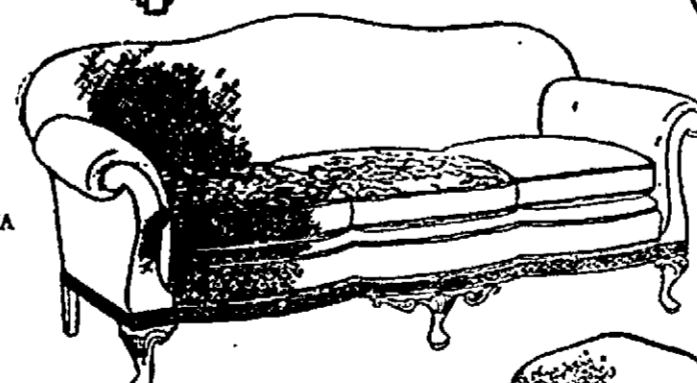

Karpen Week is for all who take pride in their homes and who value their dollars. It is for you. No matter what price you want to pay, or what your taste or scheme of decoration may be, you will find your desires matched in our complete exhibits. Only a few of the interesting pieces included are shown on this page.

The sooner you come in, the more complete you will find our showings. We will be glad to see you whether or not you are interested in buying furniture at this time.

TWO BLOCKS CUT OFF FROM 1925 PAVING PROGRAM

COUNCIL GRANTS REQUEST OF 3RD WARD TAXPAYERS

City Nurse Asks \$10 a Month to Pay for Operating Her Automobile

W. Lawrence-st, from S. Cherry-st to S. Walnut-st was eliminated from the 1925 paving program by the city council Wednesday night at a petition of residents. The petition was presented by Alderman George Richard at a previous meeting and referred to the committee on streets and bridges for investigation.

An amendment to Ordinance 237 regarding traffic in alleys and side streets was referred to the ordinance committee and ordered published, and on recommendation of the street lighting committee, to which the matter was referred at the last council meeting, the council adopted a resolution to order 250-candle power lights installed at the intersection of Spring and Story-sts and Mason and Franklin-sts.

A petition by residents of W. Summer and Fremont-sts for the installation of sewer and water services there was refused on recommendation of the fire and water committee. Petitions for alterations in the stairs on Jackson-st, for the installation of sewers on Wisconsin-ave and Morris-sts were referred to the committee on streets and bridges for investigation and report at the next regular meeting.

A book of rules and regulations regarding conduct of police officials was adopted as official by the council after being in effect for nearly two years. The rules and regulations have been in use since 1923 but until Wednesday night never had been sanctioned by the council.

Owing to the great increase in her work, Miss Florence Whipple, city nurse, has been obliged to purchase an automobile to enable her to cover her territory. Miss Whipple purchased the car at her own expense, but requested the council to allow her \$10 a month to run it. Her request was referred to the finance committee.

Consideration of the report of the committee of the whole regarding the petition of N. Oneda-st residents requesting the elimination of that street from the paving program was deferred to the next regular meeting. The installation of a sewer on Wisconsin-ave was referred to the board of public works. At the last meeting the committee of the whole adopted a resolution to adopt plans and order the work done.

THREE MORE FIRES ARE BLAMED TO DRY GRASS

Grass fires continue to harass the fire department, since three more alarms have been sent in for that reason. A summons came at 12:30 Wednesday afternoon when tall grass began burning at W. Winnebago and N. Mason-sts. The same vicinity was visited at 8 o'clock in the evening to extinguish flames at W. Winnebago-st and N. Badger-ave.

Fire originating in a playhouse at the rear of the residence of George A. Schmidt, 1 W. Prospect-ave, ignited grass on the hill descending to W. Water-st about 10 o'clock Thursday morning. One house company went to the scene to stamp out the flames before they reached other property.

Cancel Scout Meeting
The Boy Scout troops of All Saints church, Trinity, English Lutheran church and the Little Chute troop have canceled their meeting for Friday evening, because of Good Friday. Paul O. Ketcher, scout executive has announced. The troops will meet as usual on April 17.

LAWRENCE DEBATORS WIN SECOND CONTEST

Winifred Bird and Willard Henoch, of Lawrence college, composing a two-man debate team, won from Willamette university at Salem, Ore., Wednesday night by a two to one decision. A telegram from Prof. F. W. Orr, who accompanied the Lawrence team, said the debate was hard fought. Lawrence college upheld the negative of the question, "Resolved, that congress by a two thirds vote, should have the power to re-enact legislation declared unconstitutional by the Supreme Court. The affirmative team was composed of Charles Redding and Joe Berreman of Willamette university.

OLDEST LUTHERAN PASTOR HAS BIRTHDAY ON SUNDAY

Mr. and Mrs. B. E. Mayerhoff are planning to go to Wrenovoc to spend the weekend with Mr. Mayerhoff's father, the Rev. E. Mayerhoff, who at 91 years is the oldest Lutheran pastor in the United States. His ninety-first birthday anniversary occurs Sunday, when all of his children will be home for a reunion. The Appleton people will be accompanied by E. V. Mayerhoff of Milwaukee, who has been the guest of his brother, B. E. Mayerhoff, here.

BEG PARDON

John C. Kuse, Seymour, has denied he was in an automobile accident on the Mackville-rod on Saturday, as reported in The Post-Crescent. He said he did not have his car out that day. The report was telephoned from Seymour.

Abandon Stolen Car

Joyriders were responsible for the disappearance from E. Lawrence-st Tuesday evening of the automobile owned by Edward Galmbacher, Kaukauna. The police department located the machine in Neenah where it was abandoned by those who had taken it. The car had been parked in front of Lawrence Conservatory of Music.

Dinner For Employees

Employees of the Appleton store of the Kinney Shoe Co. will hold a banquet and meeting at 8 o'clock Friday evening at Hotel Northern. The banquet will be followed by a discussion of local company problems and needs. William J. Puth, manager of the local concern, will speak for the company and George Schultz will talk for the salesmen.

Miss Edith Berg, a student at the University of Wisconsin is visiting her parents, Mr. and Mrs. I. Berg, W. College-ave.

Schlitz Bros. Co. Great Offer To Chronic Rheumatic Sufferers

Money Back If Allenrhu Fails to Do You More Good Than Anything You Ever Used.

from your body. I know this because I was crippled for years and many times was unable to work, and Allenrhu made a well, robust, healthy man of me.

"I know because since I cured myself, hundreds have taken Allenrhu and speedily rid themselves of this agonizing disease."

Allenrhu is no laggard; it starts right in at once; it gets into the blood, searches out the poisonous uric acid deposit and in two days starts to drive the concentrated impurities that cause rheumatism, out of the body through the natural channels.

It's marvelous how quickly it acts. Blessed relief often comes in two days—even in cases where the suffering has been most painful all traces have disappeared in a few days.

James H. Allen, of 26 Forbes-St., Rochester, N. Y., the discoverer of Allenrhu, desires all sufferers to know that he does not want a cent of anyone's money unless Allenrhu decisively conquers this worst of all diseases.

With this understanding he has instructed Schlitz Bros., Voigt's Drug Store and druglets everywhere to guarantee it in every instance.

NEW COUNCILMEN WILL GET SEATS ON APRIL 21

Reorganization of the city council will be undertaken on April 21, the third Tuesday of the month, according to provision of the Wisconsin statutes. The new aldermen elected Tuesday will be installed and appointive municipal offices will be filled.

The officers to be appointed on April 21 are president of the council, city clerk, city engineer, poor commissioner, deputy health officer, poor farm manager, sealer of weights and measures, street commissioner, city weightmaster, visiting nurse, city physician and building inspector.

These appointive offices are filled by vote of the council.

Car Is Stolen
Wausau is afflicted with automobile thieves, according to occasional notices received by the police department here. The latest theft is that

ENGINEERS OF TREASURE HUNT IN MEDITERRANEAN

Toldo—An agreement covering a treasure hunt at the bottom of the sea has been made by the Pelagic Ocean Engineering Works of Japan with the Tokio Marine Insurance Company. It has to do with \$300,000 in English gold coin, which went to the bottom of the Mediterranean Sea when the Nippon Yusen Kalaha liner Kasaka Maru was torpedoed and sunk by a German submarine in 1917. The spele belonged to the Tokohama. Spele Bank, but is now the property of the insurance company, which paid full insurance on the loss to the bank.

It is agreed that if the engineering company recovers the spele it shall retain 80 percent, returning 20 percent to the insurance company.

of a Buick car painted dark blue, stolen from there a few days ago. The license number was D 23748.

B. Pulsifer of Brockton, Mass., was in Appleton business Wednesday. Ed Bellow and Vincent Jones spent Wednesday in Milwaukee.

Why Stay Fat? You Can Reduce

The answer of most fat people is that it is too hard, too troublesome and too dangerous to force the weight down. Marmola Prescription Tablets overcome these difficulties. They are pleasant to take, entail no dieting or exercise, and have the added advantage of cheapness. A box is sold at one dollar by all druggists the world over or send the price direct to the Marmola Co., General Motors Bldg., Detroit, Mich. Now that you know this, you have no excuse or being fat. You can reduce steadily and easily without going through long series of tiresome exercise and starvation diet with fear of bad effects. Get a box and start getting slender now. adv.

MARBLE TOURNEY IS PLANNED BY PLAY DIRECTOR

Boys Interested in Contest—
Tennis Players Call Meeting

Menasha—Arrangements for the marble tournament to be held in Menasha are well under way. R. C. Miller, playground director, gave two demonstrations of a new game, called "Ringer," to about 30 boys Thursday morning and afternoon at the high school playground. A great deal of enthusiasm was aroused among those present. The national championship is decided each year at Atlantic City, N. J. The marble finals will be run off Saturday afternoon, April 25.

A meeting of local men interested in tennis will be held in the recreational department office in the city hall at 7:30 next Tuesday evening for the purpose of organizing a club. Rules for the use of the local courts and a tentative program of championship events to be held later in the season will be outlined. Preliminary arrangements also will be made for an intercity match for which several challenges have been received.

A girls' volleyball league will be organized as soon as public school work is resumed.

MENASHA PERSONALS

Menasha—Joseph Meisner of Menasha submitted to an operation for appendicitis at a Menasha hospital Wednesday.

Werner F. Stipp, who is attending St. Norbert college at De Pere, is spending his Easter vacation with his parents, Mr. and Mrs. Matt Stipp First st.

City Clerk J. F. DeCaro delivered the official election returns to the county clerk at Oshkosh Wednesday.

Francis Barlow is confined to his home on Second st by illness.

Miloune Rimmel, who is attending Marquette university, is spending his Easter vacation with Menasha relatives.

BICYCLE RIDER IS STRUCK BY TRAIN

Menasha—John Dombrowski, Racine, was struck by a freight train Tuesday at the Racine crossing of the Chicago, Milwaukee & St. Paul Railway company. He was riding a bicycle. He was thrown clear of the rails and escaped serious injury.

Good Friday Service

Menasha—On Good Friday there will be German services with communion, preceded by confessionals in the morning at Trinity Lutheran church. In the evening there will be English services and communion preceded by confessionals.

JINX MOTORCYCLE IS BACK ON JOB

Menasha—The motorcycle purchased by the city several years ago for motorcycle officers has been repaired and is again in service. The motorcycle has been in three accidents that sent the riders to the hospital. Otto Meizer was the first officer to be injured while in the performance of his duties and was in the hospital for several weeks. That was two years ago. A year ago Joseph Martell was thrown from the machine while pursuing a speeder and was incapacitated for several months. Bruno Kleschek was the last officer to suffer injury. He was thrown into a ditch last fall when a driver cut across his path to enter a farmer's yard. The motorcycle was badly damaged each time, particularly when Martell was injured.

DRIVER THROWN AS TRAIN HITS CART

Menasha—A string of four dump carts belonging to Menasha Wooden Ware company was struck Wednesday by a freight car to which a switch engine was attached while being taken across a sidetrack belonging to the Chicago, Milwaukee & St. Paul Railway company. The third dump cart in line was reduced to kindling wood. The driver was thrown some distance but escaped serious injury. The accident occurred near the pump house in the Wooden Ware company's yards.

BUSINESS PLACES CLOSE FOR FEW HOURS FRIDAY

Menasha—On Good Friday there will be a general suspension of business between 12 noon and 3 o'clock in the afternoon. Among the business places that will close are dry goods stores, clothing stores, grocery stores, drug stores and meat markets. The plan was tried out last year and worked successfully.

LAY 1,300 FEET OF HOSE TO FIGHT FIRE IN GRASS

Menasha—A grass fire in "Klondike" near Garfield ave reached such proportions at 6 o'clock Wednesday evening that it was necessary to call the fire department. In order to reach the firemen were compelled to lay more than 1,300 feet of hose.

FINDS RELIEF FOR COUGHS

Mrs. Nancy Mather, Box 56, Richmond, Ohio, writes: POLEY'S HONEY & TAR COMPOUND is a fine medicine for coughs and colds, as it helped me when nothing else would. Mothers everywhere demand a reliable cough remedy free from injurious narcotics. Supplying this demand for fifty years made POLEY'S HONEY & TAR COMPOUND one of the largest selling cough medicines in the world. Refuse substitutes. Insist upon POLEY'S. Sold everywhere. adv.

KONZELMAN CASE ON CALENDAR FOR NEXT COURT TERM

Roadhouse Proprietor Again in Jeopardy for Alleged Sale of Liquor

Neenah—The second case on the calendar of the April term of Circuit court which opens on April 13, is that of the state vs Eugene Konzelman. Mr. Konzelman is the proprietor of the Terrace Gardens, a roadhouse between Neenah and Appleton on the river road. He is charged with unlawful sale of intoxicating liquor. The case was tried in the January term of court but the jury disagreed.

The April criminal calendar includes the case of Cecelia Herter, charged with manslaughter. She was originally jointly charged with Dr. O. E. Wernas who was recently found guilty of an illegal operation on an Oshkosh young lady, but upon motion of her attorney, the defendants were granted separate trials.

Jurors selected from Neenah for the April term are Edgar Jones, Adam Walter, Herman Vogt, Jessie Wheeler and Agnes C. Mayer. One juror was selected from Menasha, Henry Sheerin.

CITY COUNCIL CHECKS VOTES AND ADJOURNS

Neenah—The Neenah city council met Wednesday evening to canvass the vote of Tuesday's election. It was the only business transacted at the meeting. Another meeting will be held on Saturday evening, April 18 which will be the last gathering of the old council. The first meeting of the new council will be held on the evening of April 21 when committees will be named.

BOY FALLS OFF WAGON AND BREAKS HIS ARM

Neenah—Edward, six year old son of Mr. and Mrs. Edward Christoph, Church st, broke an arm Wednesday evening while playing at the home of his grandparents, Mr. and Mrs. John Christoph, East Forest ave. The boy was playing about an old wagon when he fell to the ground.

Finish Concrete Work

Menasha—The concrete work at the city hall is completed and carpenters are expected to start replacing the doors of the main entrances which are more than a foot short owing to the floor having been lowered. New mop boards are to replace the old ones.

Attorney F. W. Grogan returned from Milwaukee Wednesday evening where he had spent the day on business.

TEST WATER FOR DISEASE GERMS

Neenah—Discovery of three cases of typhoid fever in Neenah has led the city health department to start an investigation of the water and milk supplies in the city. Examination of the city water so far made show no trace of germs and that the water is safe to use. It is possible that some wells about the city are not free from germs and the water is to be examined.

NEENAH PERSONALS

Neenah—Mr. and Mrs. John Christoph who have been spending the last month in Florida and Cuba, returned home Tuesday evening.

Edward Forkin, son of Dr. and Mrs. G. E. Forkin, who is attending Notre Dame university in South Bend, Ind., is home for the Easter vacation.

Irwin Pearson is home from a business trip through Michigan.

The high school orchestra held their weekly rehearsal in the home of Mr. and Mrs. Frank Scheller, Wednesday evening.

Roy Law of Milwaukee, was a Neenah visitor Wednesday.

John Schultz was taken to Mercy hospital, Oshkosh, Wednesday, for medical treatment.

George Fay of Chicago, is calling on Neenah friends.

John O'Rourke of Milwaukee, is spending a few days with Mr. and Mrs. August Drake, East Wisconsin ave.

A son was born Wednesday in the Theda Clark hospital, to Mr. and Mrs. Hilton Engle of Clintonville.

Mrs. Albert Nooyan and daughter, Dora, were guests of relatives in Little Chute, Wednesday.

Coch Christopher and bride, who have been spending their honeymoon with Mr. and Mrs. William Schmitzer in St. Paul, will arrive home Saturday afternoon.

Mr. and Mrs. Charles Schultz motored to Milwaukee Thursday to visit

New Treatment For Varicose Veins and Ulcers

Swollen veins are dangerous and often burst. Sufferers are advised to get a two-ounce, original bottle of Emerald Oil (full strength), at Voigt's Drug Store and start to reduce the veins and bunched at once.

Physicians recommend Emerald Oil. It is used in hospital practice and a small bottle will last a long time, because it is very concentrated and a little goes a long way. Apply night and morning with a soft brush as directed until the swelling is reduced to normal.

So marvelously powerful is Emerald Oil that swollen glands and even goiters disappear when used steadily.

PAY TAX ON FIDO OR POLICE WILL GET HIM

Neenah—Every dog has its day and the one without a license tag on its collar has had its in Neenah, for from now on the canine not provided with the necessary piece of brass will be picked up and disposed of unless the tax is paid. The last warning has been given by Lawrence Lampert, city treasurer, who claims that out of the 250 dogs in Neenah, only 160 owners have protected their pets by paying the required tax.

Bert Jones who is in the Sacred Heart sanitarium.

Assemblyman Nels Larson is home from Madison to spend a week.

Sylvester Romnek of Menasha, had his tonsils removed Thursday morning at Theda Clark hospital.

A daughter was born Wednesday to Mr. and Mrs. Raymond Hoffman, of Menasha, in Theda Clark hospital.

Henry Schultz is home from Marquette dental college, Milwaukee, to spend the weekend with his parents, Mr. and Mrs. William Schultz.

FRECKLES

Now is the Time to Get Rid of These Ugly Spots

There's no longer the slightest need of feeling ashamed of your freckles, as Othine—double strength—is guaranteed to remove these homely spots.

Simply get an ounce of Othine—double strength—from any drug or department store and apply a little of it night and morning and you should soon see that even the worst freckles have begun to disappear, while the lighter ones have vanished entirely. It is seldom that more than an ounce is needed to completely clear the skin and gain a beautiful complexion.

Be sure to ask for the double strength Othine as this is sold under guarantee of money back if it fails to remove your freckles.

We recommend Othine Complexion Soap for use with Othine, also as a shampoo—It's wonderful for bobbed hair—25c a cake at all drug or department stores or by mail. Othine Laboratories, Inc., Buffalo, N. Y. adv.

Charming Artist Sings Chief Festival Solos

In order that the remarkable soprano solos which are part of the "Creation" oratorio by Haydn may be sung with all their power and beauty in the Easter musical festival at 8 o'clock Sunday and Monday evenings at Lawrence Memorial chapel, Jean Carl J. Wabman, director, has engaged an especially well known soloist, Miss Helen Fouts Cahoon.

Songs for the Monday evening presentation of the festival have been moving quite rapidly within the last few days at Belling drug store. A large number of requests for them are coming from the surrounding community and there are indications that the chapel will be well filled, Sunday night's program is free to the Appleton public.

There are two especially notable solos which Miss Cahoon will sing, "With Verdure Glad," and "On Mighty Pines." She is a lyric coloratura soprano who has risen to prominence in the Chicago musical world. She sings with charm and with a winning sympathy and tenderness.

Her personality wins an audience to her before she starts her songs and her culture and ability remove her from the wholly sentimental group. Cahoon was a pupil of Max Heinrich of New York City for several years and has been a guest teacher at Bush conservatory, where she also coached with Charles W. Clark. She recently studied and concertized with Miss Marcella Sembrich of New York City. She fills many engagements each year and is in demand for oratorio work.

It is the hope of the festival committee of the churches that the public will reserve its seats by Friday. This will assist the committee in charge of the tickets.

Those who heard the final rehearsal of the oratorio at the chapel Wednesday night are liberal in their praise of the work of Dean Waterman in shaping his chorus of 250 voices. Music with more power, variety and interpretative qualities has not been heard here for some time and the combination of chorus, orchestra, piano and organ paints a picture of the world's creation that will be remembered long. The pastors of the churches here believe Appleton will establish its Easter tradition, that of the annual musical festival, more firmly than ever with its 1925 presentation.

BROADCAST ADDRESS BY FOUNDER OF DE MOLAY

The sixth anniversary of the Order of DeMolay will be celebrated with a radio talk by Frank S. Land, founder, at 8:30, central standard time, on the night of April 10, according to a letter received by officers of the Joan F. Rose chapter of the order. Members of the local chapter are preparing to hear the talk either in their homes or in groups. Most of the boys are organizing "radio parties" for the night. Mr. Land will broadcast from WDAF, the Kansas City Star station on a wave length of 365.6 meters.

Close to 200,000 DeMolay boys members of more than 1,400 chapters are arranging to hear Mr. Land's talk in their homes and chapter rooms. In many instances loud speakers will be installed in meeting places and entire chapters will congregate to receive the message from the order's founder. The Battle Fleet chapter, recently instituted by all enlisted DeMolays in

Fellowship Of Prayer

Daily Lenten Bible reading prepared for Federal Council of Churches of Christ in America.

The Last Supper

Read Lk. 22:7-23. Text: 22:19. This do in remembrance of me.

MEDEVATION—In this last meeting with his disciples Jesus sought to bind the hearts of his intimate friends to himself and to God forever. He had learned through the years the way to God and had been strengthened again and again by the Holy Spirit. In this hour he gave his disciples an opportunity to share

his communion with the father. As we join in this sacrament in memory of him, his Spirit comes to our souls and we learn the true value of things. No one can partake of the communion in truth and retain a frivolous or flippant spirit.

"Always when my soul has surrendered itself to the Divine will I am refreshed. The laying down of self is the taking up of God. When I lose my will I gain the Infinite. The moment of surrender is also the moment of conquest. When I consecrate my weakness I put on strength and majesty like a robe."

PRAYER—Eternal God, may the presence of thy Spirit in our lives give us strength to do thy will, may we have true communion with thee and come to know thee as our Father, infinite in love and tenderness. Let us be as faithful gardeners bring-

MILLIONAIRE LABORER HAS ADMIRER HERE

Fowler McCormick, grandson of John D. Rockefeller, who is learning the harvester business from the ground up, has the approval of not only his millionaire grandfather, but also of an Appleton girl.

Here was one of a bushel of congratulatory letters received by the wealthy scion one day last week. Many of them were from girls and some of them contained direct proposals of marriage.

The letter from the Appleton girl

ing forth all manner of good fruit in the Spirit. O abide with us, in Christ's name. Amen

Is There Any Limit To a Womans Love?

WHEN Lotta married William Manning, it was the happiest day in her life. Then she made a terrible disco cry—he had contracted the drug habit.

Never did a wife battle with more primitive fierceness to free her husband from a monster that was destroying him body and soul. But to no avail.

The despair, anguish and terror of those days are too recent for Lotta to tell of them. But William Manning can and does tell how he fell into the net cast by the Dragon of Evil—and how only the strength,

faith and deathless love of a good woman helped him fight back to manhood again.

Manning's story (the name is disguised) appears in True Story Magazine for May. It is entitled "Dope." What happened to him might happen to anyone. Your own husband or wife, daughter or son could, through ignorance or innocence, easily fall a victim to this greatest curse to humanity.

Don't miss William Manning's startling confession. Your newsdealer has the May issue. Get your copy today.

"Then you won't go and get the stuff?"
"I've come, grinding my teeth, and grasping her angrily by the arm."
"No, not for you, or any other soul here!"
—From "Dope" in True Story for May

Other Unusual Narratives in May True Story

"The Fortune Teller's Daughter"—Although she was a girl of the finest ideals, she fled to a nearby city where at last she found love—but the price was dishonor. What did she do—and what was the outcome? A true story that every girl in America should read.

"Should a Woman Forgive?"—She loved and trusted her husband. But when the other woman—her dearest friend—threatened the sanctity of her home—what she did and its unexpected outcome makes a pathetic and instructive story that every woman—married or unmarried—should read.

"When Men Betray"—When a married woman is discontented, danger is not far behind. Had Ruth known more about life, she would not have been blinded to the certain tragedy that awaited her when she decided to leave her home and

husband for the doubtful riches, love and happiness offered by her new and impetuous lover. Read what happened to her as a result of her decision. One of the frankest, most powerful narratives ever printed in True Story Magazine.

Other Stories in the May Issue Are:
"Fires That Die" "Who Was Her Mother?"
"Tangled Threads" "Where I Found Love"
"Empty Arms" "The Curse of Beauty"
"Told in the Hills" "The Double Price"
"Two Brave Hearts"

When "Jazz" Is King

If ever there was a time when humanity needed a sobering, controlling force to restrain its mental and physical excesses—that time is now. Thoughtless, pleasure-seeking men and women—foolish, irreverent, dapperly curious boys and girls—are becoming more and more indifferent to the promptings of conscience. In this reign of the "King of Jazz," discretion is tossed to the winds. It's "anything for a good time." Thunderous preaching, moralizing, and

the hurrying of precept and fable are of little use. It is only through a true, frank and personal revelation of the tragedies resulting from folly and sin, that humanity can be awakened to the swift, terrible penalties of wrong.

That is why Bennett Macfadden publishes True Story Magazine—a great national forum where, every month, men and women—even boys and girls yet in their teens—bark their lives, confess their mistakes and, by example, lay before True Story's millions of readers the truth about life so that others may see and avoid the errors that they have made.

True Story Magazine exposes the pitfalls and snares that entrap thousands and plants the seeds of clean thinking, and clean living in human hearts. Every story in True Story Magazine is true—it actually happened. Those who hate and fear the truth hate and fear True Story. Those who dare to look truth in the eye, know it as one of the most powerful forces for good in our day.

was a lavender one strongly scented with perfume.

At Yeoman Convention
Mr. and Mrs. Fred Fliegel attended the annual convention of the Brotherhood of American Yeomen in Green Bay Wednesday and Thursday. Mr. and Mrs. Fliegel attended the sessions on Wednesday. About 100 delegates were present at the convention.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

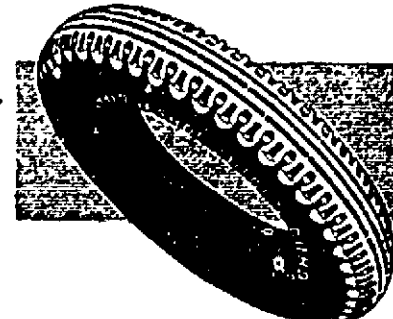

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that natural buoyancy which all should enjoy by toning up the liver and clearing the system of impurities.

Dr. Edwards' Olive Tablets are known by their olive color. 15c and 30c.

GRAU WILL SHOOT SHRAPNEL BARRAGE ABOUT HIS STATE

Speaker Coming to Chamber of Commerce Dinner Says He Is "Loaded to the Gills"

"I'm loaded to the gills and just about ready to shoot verbal shrapnel so I hope we have a bunch that is both thick and thin skinned, at the same time."

This statement in a letter received from Phil A. Grau of Milwaukee indicates that something out of the ordinary is in store for those who hear his address at the fellowship dinner and annual meeting of the chamber of commerce at 6:15 next Tuesday evening at Hotel Appleton. The shrapnel which he is loaded relates to his subject, What is the Matter with Wisconsin?

Hugh G. Corbett, secretary, also has received word that Gen. H. M. Lord, director of the United States budget, is on a speaking tour which will bring him into the Fox river valley at that time. An effort will be made to locate him and have him as guest at the dinner here.

Music and a group of 5-minute report talks also are on the program for the dinner. Seymour Gmeiner will report on the recent annual meeting of the western district of the Chamber of Commerce of the United States. J. D. Steele will summarize the legislative work and A. C. Remley, president, and Hugh G. Corbett, secretary, will tell briefly what the chamber has done during the year. The community welfare, rural affairs and transportation committees also will give reports. Notices issued to all the members request dinner reservations by Monday at the latest.

LEGION ORGANIZES TUG OF WAR TEAM

Mickey McKee Expected to Furnish Inspiration for Heavyweights

Oney Johnston post of the American Legion will be represented by seven strong men in the tug of war for World war veterans to be held in connection with the Neenah American legion field meet at Neenah on April 17. Led by Carl (Mickey) McKee who stands at least 5 feet in his socks, six of the weightiest veterans in the local post will endeavor to give the Neenah comrades a run for their money, and incidentally to cop the large silver loving cup offered by Neenah manufacturers.

The Neenah post has won the tug of war for the past two years and is claiming the cup on the strength of these two victories. But in view of the fact that the cup was donated this year, members of Oney Johnston post contend the outcome of the last two competitions should not count.

C. O. Bates, athletic director of the local legion post, is lining up the Appleton team. He will be a member, with Victor Canfield and "Bud" Fischer, and two 150-pounders whose names are being kept secret. The two heavyweights are expected to offset Mickey's lack of avoirdupois, while planners will furnish the mus.

PLANNERS HERE WATCH NEW YORK CONFERENCE

Men identified with civic affairs are watching with interest the outcome of the International Town, City and Regional Planning conference which will take place in New York April 20 to 25.

It is not expected that any Appleton persons will attend, but a number will observe the conference from the sidelines looking for new ideas in city planning and zoning.

The program which has been received at the local chamber of commerce office includes such topics as traffic, especially problems pertaining to arterial roads, civic development, parks, recreation, airplane fields, commercial waterfronts, etc.

The conference is organized by the International Federation of Town and Country Planning and Garden Cities and the National Conference on City Planning, in conjunction with institutes and associations of architects, engineers, landscape architects, real estate men, chamber of commerce and municipal associations.

COATED PAPER COMPANY OFFICES IN NEW BUILDING

Work on the new offices of the Appleton Coated Paper Co. was completed recently and the office force has taken up its quarters there. Building operations were started late last fall and completed during the winter. There are three offices on the first floor and several smaller rooms on the second floor.

DOCTORED ALL WINTER, FINDS RELIEF

"I doctored all winter and it didn't help a bit, but FOLLY'S HONEY & TAR COMPOUND was just the thing for my cough and cold," writes Mr. Henry Daniel, Berryshoe, Penn. FOLLY'S HONEY & TAR COMPOUND is one of the largest selling cough medicines in the world. Contains no opiates—ingredients are printed on each carton. Good for old and young. Refuse substitutes. Insist upon FOLLY'S. Sold Everywhere. adv.

White Star Line is running now from Appleton to Sheboygan on regular schedule.

TOUR CLUB SENDS INVITE TO JOIN IT

BUY THE POOR CUS Motorists. Awake an' brush th' freest outa yer boards. Remove yer winter fronts an' heavy ummentionabuls (why can't we mention 'em—everybody wears 'em, even grandma.) Spring is with us an' summer's comin'. If you are one uv th' real folks a member uv th' genuine peopli who not only own automobiles but use 'em it is now time to think of tourin'. Thinkin' about it is all this expert editor advises you do fer a while but its pleasant occupation much more divertin' than ponderin' on 'what makes a legislature act that way or any other somber subject.

If you've struggled thru that 1st paragraph without snorin' an' without detourin' to another page an' got this far I will give you a real thought to play with. Why don't you join Th' Journal Tour Club? Now it maybe that you're like many Badger motorists who don't know much about this club. Here's whear you grab off a bit uv education.

This Journal Tour Club is a gang uv real motorists who appreciate service when they see it an' who are willin' to spend th' grate big sum uv \$1 any year in a decade to get it. This is a non-profit organization. We don't predict anything in these ads that you don't receive. I have got a rite to say we because I am pretty important in th' affairs uv th' Club specially when it comes to wrappin' paper aroun' th' tour club kits an' mailin' 'em out. If I didn't wrap 'em you wouldn't get 'em wich shows whear I hang my hat in th' organization.

A wise man don't spend a dollar unless he is reasonable sure uv gettin' a 100 cents worth uv merchandise in th' bargain. But a wise man don't worry much about lettin' loose uv a buck when he knows he's goin' to get about \$3 worth uv good usefui stuff fer it. That's why 7500 motorists have already rushed their cash into Th' Journal an' enrolled in th' Tour Club. Its not only th' best buy on th' market but it's th' only I've ever heard uv whear th' hi-soundin' phrase "value received" meant anythin' to th' member after he'd paid his dollar.

This is supposed to be an ad. As an advertisin' riter I will never worry any uv th' big agencies. But I have a lot uv fun ritin' it so we should feel alarmed about how good it is. You see its like this. Th' Journal's got so much space to cover in this hear ad that somebody has to rite somethin' to put in it as it costs as much to leave it blank as to have sumthin' to read in it. Well anyway as I was remakin' in, whenever you see a car comin' along th' road an' note that triangle shaped emblem you know you've fein' approached by one of th' goodfellows uv Th' Road—a member uv Th' Journal Tour Club. That's th' sign uv a regular guy, th' kind uv chap who gives you your half uv th' road an' who slows er' down an' says "anythin' I kin do ol' man" when your bus is takin' a vacation an' you don't know what to do to get it back on th' job agin.

Eisewear on this page you are told with pictures an' print just what you get in th' tour club kit fer th' sum uv \$1. At least I hope they didn't forget to tell you about it as I ain't goin' on acct. uv only havin' so much space to fill.

As I said I ain't no moar uv a advertisin' riter than I am a perfessor uv botany so I am goin' to depart from th' ordinary run uv ads an' take a good sound knock at th' merchandise I'm supposed to boost. There is 1 big thing rong with this Journal Tour Club that few folks know about. I see a motto aroun' th' office th' day wich said sumthin' about "TRUTH IN ADVERTISIN'". All rite hear it is. Th' 1 thing rong with fine big organization uv motorists is th' head uv it. There is a fellow named Browlin' who holds th' dignified title uv DIRECTOR. He directs alrite but that's about all he does. Last year there was moren 20,000 members in this club. Now th' head uv a big organization like that coudta look like somethin'! But this director uv ours don't. Not only will he not wear a frock coat an' carry a cane but he quite often forgets to comb th' feathers outa his hair. I have reproached him time an' agin in an effort to get him to live up to his title but he always argues that he is only a common man an' that if he carried a cane or wore spats an' looked like a Director it wud be just his luck to be hit by a flivver th' 1st day he dolled up. That's our director's only worry.

We have a pretty swell joint down hear now an' you motor folks should drop in an' give it a glance th' next time you're in town. Sum uv th' educated folks aroun' hear call our tour club headquarters an' rest rooms etc. "th' finest townhouse uv any motorclub in th' country". I don't know a townhouse from a smokehouse but I'm wise enuf to know that Th' Journal's got best place in th' city fer motorists to drop in fer a visit, to rite a letter, wash up, meet somebody or use a phone.

If I was 1 uv you motorists an' was asked to join this Journal Tour Club th' thing that would make me use th' dotted line fastern any other argument is th' fact that this is th' only club that don't never levy any assessments, hold any meetin's an' you never run th' risk uv bein' elected correspondent secretary or bein' forced to do any other free distasteful labor. Th' only bunk artists you ever cum in contact with is me—an' you'd have awful time tryin' to meet me face-to-face as I know wich side uv my bread is th' heel. Imagine bein' in' to a club fer a whole year without never havin' to listen to sum Egg from th' Orient or a Why Chinese Girls Never Swear or squirmin' wife Brother Ishish limit. Wh'is wrong With Wiskey. Folks, this is a club that has been dreamed uv fer centuries but never founded until four years ago. My partin' advice to you kin be said shortly an' sweetly but th' one word—JOIN.

Hopin' to see yer name on th' membership list

BROWNIE IS REAL VETERAN OF ROAD

All the way down through the years of automotive history, W. W. Rowland - Brownie of the Journal - has driven along in the van of progress. He has been on intimate terms with all manner of cars and has known all types of drivers.

The founder of The Journal Tour Club has appeared at fairs, has participated in endurance tests, has acted as pathfinder in any number of runs, has done everything, in short, to keep things moving. When cars began to behave themselves in a fairly reasonable manner, he undertook the first of the annual Journal tours and soon became recognized as one of the busiest little boosters in the state.

Some of the tracks on which Brownie drove exhibitions in the early days were constructed in a strange and fearful manner. He vividly recalls a track at Friendship in Adams county, a half-mile affair liberally decorated with grassy hummocks and laid out in a manner best calculated to cause a pilot grief. It was here that he was ignominiously defeated by a bumpkin in a flivver.

The star attraction had driven his high-powered car around the track as fast as he could when he was challenged by the village cutup. There was nothing to do but accept the challenge and so they lined up—Brownie in his racer and the cutup in his flivver, with a soap box for a seat. Away they went, the flivver in the lead.

And the darned little upstart stayed there, too. It went hopping along from hummock to hummock like a scared jack-rabbit with Brownie snorting along behind, powerless to catch up. The village youth was the hero for the hour and Brownie the recipient of all the Adams county raspberries at the disposal of the spectators.

From the first, The Journal tours caught the popular fancy and Brownie was given a right royal welcome wherever he went. Once, when going into Marshfield, a reception committee sallied forth to meet him and do him proper honor.

The committee was punctual and right on the job. Some score of prominent citizens lined up at the side of the road to await the pilot's coming and escort him into town. They chose, however, to stand at a very precarious spot.

Well, along came Brownie and the Poor Cuss of the day. Both of them caught sight of the waiting committee at the same time and not being so overcome with emotion that they failed to watch the road closely. So it happened that, just as the committee had opened its mouth for a joyous shout of welcome and had proceeded as far as, "Hooray for Brownie," the heavy car went plumb into the middle of an expansive mud-puddle.

Each of the committee, from the mayor down, was splashed with mud and water from stem to stern and each was inclined to resent it until the unlucky Brownie dismounted to the swab of his hosts and explain that he didn't mean to do it. He didn't either, no matter what you think.

Another time, a committee set out from Barron and got itself lost, so that when time for the banquet came there was nobody to eat it but Brownie and the Poor Cuss and they were both too polite. So they had to wait until the wanderers returned.

Once, late at night when Brownie and the Poor Cuss—a red-head—had the job at the time—were going toward Sparta, their car gasped a dismal gasp just at the side of a cemetery and refused to proceed. So the pilot started out after help, leaving his man Friday in the car.

Soon the red-head was fast asleep and dreaming. A placid Jersey ambled by and stopped to investigate. The countenance of the Poor Cuss intrigued her and she implanted a chaste salute upon his cheek. He was a lad who might be licked by circumstances but certainly not by a cow. So with a mighty spring he quitted his leather couch and started galloping off down the moon-lit road. Brownie found him a few hours later hugging his knees on the steps of a church and praying for deliverance.

One of the few times Brownie has been hit on the road was when he was run into by a flivver full of Indians on a stretch between Woodruff and Minocqua. The Indians had hired their car to go to see Brownie perform. They ran into him full tilt at the intersection of two roads. The jolly red-heads were sprinkled all over the landscape. Each of them picked himself up unhurt, gave vent to one exceedingly expressive "Ugh," and turned right about face to go back where he came from. One and all had had enough of Brownie.

When flying circuses became the fashion, nothing would do but that Brownie should share in the excitement. His active part in the shows was to drive his car in races with the planes at fairs and he's a lucky bird to be alive and kicking in view of the stunts that were put on. To provide a hair-raising finish, one flyer used to swoop down over Brownie's car and all but tickle his scalp.

Brownie has the reputation of being a rapid driver, but in all his career he has only been plinched three times for speeding. The first time was in the outskirts of Racine many years ago when he was thundering along at the breath-taking pace of 15 miles an hour. He was stopped by a cop with a dollar watch who had timed his approach with that accurate instrument. He kicked right lustily but the law insisted that 12 miles was the limit.

The second time was in Zion City and the speed of the driver 16 miles an hour, one above the limit. The last was at Green Bay. Just a few years ago, and the rate that time was 25 miles an hour. A speeder? Hardly.

GAME CLUB BUYS PHEASANT EGGS TO START FLOCK

A. J. Nielson, Eau Claire, Will Explain Procedure at Meeting April 20

Outagamie-co Fish Game Protective association will hold an open meeting in Appleton vocational school at 7:30 April 20, to which everyone interested in the preservation and propagation of fish and game is invited. Three speakers have been engaged for the evening. One of them, A. J. Nielson of Eau Claire, will tell of the introduction of ringnecked pheasants in the woods of Eau Claire-co, where thousands now are propagating their species in complete freedom. Another speaker will be a representative of the state conservation commission, and the third will be a Waukesha or Jefferson-co man, who will tell of the stocking of the woods there with Hungarian partridges.

The association recently attempted to secure ringnecked pheasants for this county, but owing to the great demand in other counties was unable to get them. Therefore the association has ordered 45 eggs, which farmers of the county have agreed to hatch. Pledges have been secured from farmers to give over about 700 acres of land as a protected area for pheasant and Hungarian partridge. The association will bear the expense of securing eggs and birds but the farmers are donating their services.

The ringnecked pheasant, it is said, breeds fairly well in captivity, while the Hungarian partridge does not. After the pheasants have got a start they will multiply rapidly. The partridges will require more time, but are harder than the pheasants.

GUENTHER MUST PAY GRAVEL FIRM

Judgment of \$525 Is Awarded in Court to Appleton Sand and Gravel Co.

A judgment of \$525, plus court costs was awarded Appleton Sand and Gravel Co. Wednesday morning by Judge A. M. Spencer in municipal court, as a result of an action by the company against Charles O. Guenther, F. H. Guenther and others to recover on a promissory note for that amount. Keller and Keller appeared for the plaintiff and Morgan and Johns for the defendants.

The plaintiff charged that the defendants had given a 3-month promissory note for \$525 at 6 per cent interest on March 13, 1923, for sand and gravel. A counter-complaint by the defendant charged misrepresentation on the part of the company.

The Guenthers claimed that the stock in the corporation had been represented at \$115 per share when it was only worth \$100 and that the firm had no large surplus to pay its dividends as stated. They also charged that the sand and gravel they received from the Appleton firm was not fit for their purpose and could not be sold here. The defendants offered to return stock in the plaintiff firm which they had purchased for the cancelled note but this offer was refused. The claims of the defendants were set aside and the judge then found for the plaintiff. John M. Balliet is secretary and manager of the sand and gravel company.

COLLEGE ADDS EQUIPMENT FOR RADIO EXPERIMENTS

Several additions have been made to the equipment of the physics and zoology departments of Lawrence college during the last week. Several more additions are contemplated, according to Prof. A. D. Powers of the physics department.

Equipment received during the vacation included a sonometer and several tuning forks to be used in experiments on light by physics classes. Radio-activity will occupy the attention of the classes later in the quarter and Dr. Powers is negotiating with several supply houses to secure the needed equipment, which will cost approximately \$200.

The work this year will be elementary, embracing a study of emanations of various radio-active materials. Dr. Powers is experienced in this field, having been connected with Carnegie Institute before coming to Lawrence. Doing research work in atmospheric electricity and terrestrial magnetism, a study which demanded extensive use of the phenomena of radio-activity.

Blue Trackmen Show Promise In First Workouts

Denny Puts Squad Through Easy Work During First Week

Crack Blue Cross-Country Squad Works Out in Distances; Forms Nucleus for Good 1925 Track Team.

Prospects for a good track team at Lawrence college this spring appeared excellent as the Blue athletes went through their paces Wednesday afternoon at Lawrence field. Although no real work has been done and most of the time was used for limbering up and light work, the men showed a seriousness in getting every point explained by Coach A. C. Denny. Many of last year's stars have been unable to get out on the field as yet but Denny expects a big turnout next week when the real grind will be started.

The distance men looked good on Wednesday, with practically every member of last fall's classy cross-country team in a suit. This crew took third in a relay with the crack teams with Marquette and Notre Dame at Milwaukee recently, leading its old rival, Ripon, by a big margin. Members of the cross-country team in suits are Sorenson, Cory, Froebe, Clapp, Kingsbury, Rehbein and the Hyde twins. The latter two are star dash men.

Captain Rehbein, with three years of service, should go big in the half and quarter miles. He topped second in the 440 at the state meet last year, losing to one of the best quarter milers the state has seen in years. He was not entered in the half-mile. The weights are taken care of by the stars of the football squad. Every weight man tips the beam at least 160 pounds. Don Stark, Appleton, and Boettcher, Watertown, linemen on Catlin 1924 grid champs, worked on the shot put Wednesday and big "Jake" Stoll, captain of the 1924 eleven, worked with the discus. Steinberg, a junior, practiced the javelin throw.

McConnell, 1924 "L" man in track, showed good form in the jumps. He tied with Dan Courtney for first in the pole vault at the state meet last year. On his second try at the high jump, he cleared the five-foot mark with ease, but attempted nothing higher because it was only his second night out. He also covered a lot of space in the broad jump. He has lots of speed on the runway and would make a good dash man if needed.

Among the last year's competition, a veteran of last year's competition, and McManis, fresh football man, who is expected to make a good showing. Both spent most of their time in limbering up and practicing starts. Redicker, the best sprinter of last year's squad took a short workout and unlimbered a bit. He appears due for a big year this season. Nobles, another 1924 sprinter, was not out this week.

The biggest weakness of the Denymen at present seems to be in the hurdles. Cooke, leading Blue hurdler of last year, graduated in June, and none of the rest of last year's men were in his class. If two or three of the fresh or new men come through fairly well in this event, Denny will have a well-rounded squad to hit the 1925 season with.

"Y" VOLLEYBALL TEAM TO MEET FONDY AND MADISON

Appleton Y. M. C. A. Volleyball team, entrants in state net tournament here on April 25, will get one of the hardest practices of the season on Wednesday when it locks horns with two of the state's strongest crews at Fond du Lac. Entrants in the state meet from Fondy and Madison will form the opposition for the locals. Appleton has beaten Fondy only once on the Fountain city floor, and that was in trophy play. Last week, after a tiring ride the local team nearly was successful and the men will play extra hard to accomplish the job this time. The crew from the Capital city also may be expected to furnish keen opposition.

MILWAUKEE FIRST TEAM IN STATE "Y" NET MEET

The first official entry in state volleyball title meet here on April 25, was received by A. P. Jensen, physical director of Appleton Y. M. C. A. on Wednesday from the Milwaukee Y. M. C. A. The Cream city crew is one of the strongest in the tourney, and unless the dope is badly upset, will be in the running on the final day.

Other cities which have signified their intention of putting teams in the meet are Fond du Lac, Racine, Madison and Beloit, with Sheboygan, Eau Claire, Janesville and Kenosha as possibilities.

TIGERS COP EASY VICTORY FROM KNOXVILLE, 6 TO 2

Detroit, Mich.—A 5 to 2 victory over the Knoxville team of the Appalachian league at Knoxville, Tenn., Wednesday and the Detroit Tigers were on their way to Nashville for two games at that city.

Eighteen Bengals faced the three hurlers placed in the box by the mountaineers. The Cobbers succeeded in making 12 hits while Wells and Doyle for the Tigers held their adversaries to five.

30 GOLFERS OUT FOR WISCONSIN SQUADS

Conference Meets Scheduled With Four Big Ten Schools and Notre Dame

Madison—With three members of last year's squad back this season, prospects are bright for a winning golf team at the University of Wisconsin. Golf was first recognized as a minor sport at the university last year and arrangements are underway for a reorganization on the basis of the Big Ten conference placed fourth in the Big Ten conference last year.

Robert T. Porter of Chicago, one of last year's strong players, is captain of the team this year. He, with Adolph Bach, Sheboygan, rated as one of the strongest men in the conference last year, and Val Guenther, Sheboygan, a member of last year's squad, should help make Wisconsin a formidable adversary this season.

Approximately 30 candidates reported at the first call for men and among them is some excellent material. In the opinion of Joe Stein, golf mentor, elimination tryouts for the sport will be held shortly after the men return from spring vacation and the final tryouts are scheduled for the latter part of April. Six men will be chosen for the squad, four of whom compete in matches. The squad is given membership in one of the Madison golf clubs by the university and daily practice will be in order after the squad is selected. Plans are under way for conducting a freshman golf tournament in May, with the hope of uncovering promising men for next year's varsity.

Competition is keen among the Big Ten schools this year, according to Captain Porter, and Wisconsin expects some hard matches among those in its schedule.

May 9—Northwestern at Northwestern.
May 16—Iowa at Iowa City.
May 23—Minnesota at Madison.
May 29—Chicago at Madison.
June 19—Conference meet at Chicago.

Arrangements are under way for a match with Notre Dame.

DENNY WILL TEACH CAGING IN INDIANA

A. C. Denny, director of athletics at Lawrence college and coach of 1925 Midwest, State and Little Five basketball champions, will spend part of his summer vacation teaching the cage game to other coaches.

Mr. Denny has been chosen as basketball teacher at the Indiana State Normal school at Terra Haute, Ind. This institution, which is the leading normal school in the Hoosier state, has an enrollment of 3,000 pupils during the school year. The course which starts during the latter part of June and runs to the end of July is open to high school and college coaches of the country. Some of the best in the west probably will attend the cage sessions as Indiana is known as "the hotbed of high school basketball."

Denny's fine coaching record for the last few years, topped by the showing of this year's Blue squad earned him the job.

VALLEY ROLLER SKATERS FIGHT FOR TITLE AT BAY

Some of the fastest roller skaters of the Fox river valley are expected to meet in a final one-mile race for the professional championship of the valley which will be held at 10 o'clock Saturday evening, April 12 in Armory B. Green Bay, Judges, timekeepers, and other officials have been selected from outside of the valley in order to make the affair a real championship event. The winner of the race will receive a pair of box-wood rink skates and the title of "Fox River Valley Champion."

A one-mile amateur race, open to all valley skaters, will be held as a preliminary. The winner in this event will receive a pair of fibre roller skates.

MENASHA GRADE SCHOOL ORGANIZES BALL SQUAD

Frank Zolkowski was elected captain of the newly organized baseball team of St. John school, Menasha. The boys are getting in good trim by daily workouts at the Menasha ball park. A challenge has been issued to any ball team in the vicinity whose players are under 15 years of age. The Rev. W. B. Polaczek, pastor of St. John church, is the manager.

PAIR OF INVADERS TO SEEK NEW LAURELS AT PENN RUNS

Two foreign invaders who will appear at the Penn relay games the last of this month, are Lord Burchley and A. E. Porritt. Lord Burchley, the youthful British peer, will take part in the hurdle events, while Porritt, one of New Zealand's best athletes, is out to beat the American sprinters.

VETERAN RECRUIT WILL TRY COMEBACK WITH WASHINGTON

Gregg, Former American League Star, to Occupy Mound for Senators

New York—With the possible exception of "Lefty" Groves, highly touted southpaw of the Athletics, it is doubtful if any major league hurler will attract the attention that is certain to come the way of Vean Gregg, 37-year-old portside, with Washington, during the 1925 season.

Gregg's efforts to stage a real comeback will be watched closely. There is no question on that point. For the one-time star of the Cleveland Indians and Boston Red Sox is out to do what he was considered unable to accomplish a half dozen years ago—hurl winning ball in the big time.

Gregg has had an illustrious career in baseball. He made his major league debut with Cleveland back in 1911. For three years he remained with the Indians, pitching great ball for the most part. Then he went to the Red Sox when he was courted for a couple of campaigns.

The year 1916 found him with Buffalo in the International League and the following season he was with Providence. Upon returning to Boston late in 1917, he figured in one of the big trades of those days, going to the Athletics along with Kopp and Thomas and \$50,000 for Bush, Schang and Strunk.

After the 1918 season in Philadelphia, Gregg, figuring he was about through, retired. Not long after he changed his mind, however, and caught on with Seattle in the Pacific Coast League. And there he has been for the last several years, scoring a great run of successes.

Gregg is reported to have cost the Washington club \$35,000 in cold cash. Just what the veteran will accomplish in his comeback attempt is problematical of course. He may deliver and then again he may find the going a bit too tough. His efforts will be watched closely at any rate.

GIANTS AND SENATORS RENEW FEUD AT CAPITOL

Washington—An atmosphere reminiscent of the world series days of last October surrounded the homecoming of the capital's own world champions.

Accompanying them were their rivals in that memorable struggle for the diamond crown, the New York Giants, with another clash scheduled between the two pennant winners here Thursday to revive more completely the tense memories of the 1924 classic.

George McRidge was Manager Harris' selection for the task of hurling the senators to another victory over the Giants to even up their exhibition series to date, which now stands 5 to 4 against the champions.

Before boarding the train for home, the senators scored their third straight victory over the Giants at Augusta Wednesday 5 to 7, with "Blacky" Harris' bat again figuring conspicuously in the run getting.

FALK CLOUTS BALL HARD AS SOX TRIM EVANSVILLE

Chicago—Charlie Robinson went the route in the Chicago White Sox-Evanville Three 1 club game there Wednesday. He was the first of the twisters of the staff to travel the "regulation distance." The came, the 17th victory for the Chicago club, ended 12 to 7.

Rib Falk, the big Texan, led the White Sox attack, hitting a home run and four other safeties in six times up.

Ruth Dispels Rumors He Had Died On Train

Babe Still Ill After Collapse at Asheville, But Health Much Improved.

Washington, D. C. — Reports that George Herman "Babe" Ruth, baseball's premier batsman had died en route from Asheville, N. C. to New York were dispelled early Thursday with the arrival here of the train on which he is traveling. Those in charge of the train said that Ruth, who collapsed in Asheville Tuesday, still was ill, but that his condition so far as they knew was not serious.

Accompanied by representatives of the New York Yankees, Ruth left Asheville at 3:50 p. m. Wednesday and immediately was put to bed in a compartment. The train arrived here at 7:45 a. m. Thursday and the sleeper in which Ruth had a compartment was switched to a New York train, which departed at 8:20 a. m. It was due in New York early in the afternoon.

Reports that the home run king had died en route to Washington started in the early morning hours when his train was speeding through southwestern Virginia. Originating apparently in Canada, it spread with almost incredible rapidity.

When the train pulled into the Union Station a group of station officials and others immediately boarded it. They were told Ruth apparently was in better physical condition than he was when he left the North Carolina town where he was stricken after a fight against influenza.

Dave's Dots And Dashes

A change has been made in the name of Appleton's latest diamond squad, according to reports from headquarters. The team will be known as the Beyer Sentinels instead of the Beyer Independents and Val Beyer will act as manager with E. G. Schaefer as his assistant. Val says that after his gang gets through moping up the field with an opponent the reason for his establishing a funeral home will be plainly seen. The sooner this city championship gets started, the better. We've got a nicker clear to bet on the winner again, but from the looks of things right now, we'd almost have to cut it in two, so let's have a city ball clamp we say.

At last a contri! Our soul is saved. And see who from—NOW That's returning ever for good—the darn thing is signed by our pal of the bleacher seats.

Dear Dad-Gust Dave: Coach Denny is going to coach summer school in Indiana for college mentors. What the heck! What's to prevent the coaches of Beloit, Coe, Ripon or others from attending the school and learning as much about the game as our favorite. With a month or so under his wing they may even approach his greatness and at last they'll get his style (ahem). They may steal his thunder and, think of this, even beat his teams at their OWN GAME. Oh, my, what's the solution? ROLLO.

The solution is as simple as Rollo himself. All Denny has to do is use regular season tactics. He fooled'em all last winter, didn't he? He can easily beat Ripon by stalling and Beloit and Coe by superior teamwork. Besides, Midwest coach would admit that the Blue mentor was smarter than he and therefore they won't be there.

It has been decided Pinky Mitchell is still the junior welterweight champion of the works.... This being so the universe can trot right along now and take care of its regular chores.

Gibbons and Tunney have been matched to fight for the unofficial heavyweight title.... However, there will be nothing unofficial about the dollars the boys collect.

Four members of the Butler College relay team came back from Texas with 21 gold watches. We haven't any comment to make on this situation other than to say that most Indianans we know are splendid people with a profound respect for the law.

Now that Rollo has started, we expect his followers to follow. We all most said "follow the swallow," but he's a dry man. Let's go friends, show that you're good "sports." A contribution a day—helps fill this column. That's all for this time, come again.

VETERAN ZACH WHEAT SET FOR 17TH MAJOR SEASON

Zach Wheat, veteran Brooklyn outfielder, is due to start his 17th season in the majors this year. He's one of the oldest players in point of service in the big leagues. For the past two seasons he has been right up near the top in hitting and, according to reports, is as frisky as ever for this time of the year.

DARTMOUTH BALL TEAM HAS SUCCESSFUL SPRING TRIP

Dartmouth enjoyed a most successful trip during its baseball invasion of the south, playing superb ball most of the time. The pitching of "Ace" Edwards stood out prominently. Judging from the brand of stuff the Green displayed, the team is expected to cut quite a swath in eastern diamond circles this season.

LATHROP, GROELING SIGN WITH CHAIRS FOR COMING SEASON

Racine, Kenosha, Favor Wednesday Ball as Regular Diet in State Loop

Janesville—"Bill" Lathrop, former Samson, Beloit Fairy, and Simmons pitcher, Tuesday signed to hurl for the Sheboygan club of the newly formed Wisconsin State League.

Racine—F. Groeling of this city was signed with the Sheboygan team, according to authentic information received here this morning. Groeling, who is a Racine boy and a former Beloit player, will probably play shortstop on the new Sheboygan state league nine.

Regarding the possibility of playing Wednesday ball throughout the league, Allan said Saturday that nothing definite had been decided as yet. At a conference with Kenosha officials Friday, however, it was just about decided to stage games on that day between Kenosha and Racine whether the rest of the league teams want the mid-week games or not. Kenosha officials insisted that their city and Racine needs the Wednesday games. Allan said the mid-week contests should prove popular here because it was likely that many stores would follow their usual custom of closing on Wednesday afternoons, thus allowing employees to attend games who would otherwise be unable to do so.

Hot Springs, Ark.—The Beloit Fairies and the Kenosha Twin Sixes will hook up here on Sunday afternoon in the first argument of their training season at the Springs. Boss Al Chubb of the Engine Makers and Harry Myers, diminutive Kenosha pilot, have completed arrangements for the staging of the combat. The teams will have an opportunity to show the Arkansas folks the classy style of baseball played up north in Wisconsin. It will be the first taste of battle for the nines this season.

BRUNKHORST SIGNS CLINE, RYCHELL FOR FONDY FIGHT

Fond du Lac—The two principals on Jack Brunkhorst's boxing program scheduled for Friday evening, April 17, now are signed. Both will be ten round affairs, as the card will have a double windup.

In the last bout of the evening Joe Ortiz, the Mexican flash, will exchange wallops with Charlie Weber of Milwaukee at 150 pounds. The other ten round bout will feature Joey Cline of Milwaukee and Charlie Rycheil of the Pacific coast.

"Brunk" intends to sign up two more fights to complete the card. One of these may be a six rounder and the other a four, although he can put on two five round fights or two four rounders if he chooses.

Arrangements are being made to care for an extra large crowd at the Armory on the night of April 17 as the fans of the city have not seen a local card since last fall. The boxing addicts have been clamoring for exhibitions here all winter, but the uncertainty of the weather held Brunkhorst back.

YALE QUINTET HAD POOR SEASON IN BASKETBALL

New York—The Yale University basketball quintet had one of the worst seasons in its history in the recent campaign. It failed to win a single encounter in the eastern intercollegiate chase, landing in the cellar berth with 10 straight defeats. But a total of 154 points was scored by the Blue in the league race against 241 chalked up by the opponents.

Luman and Sulsman stood out as the two best players on the team, the latter ranking well up the list of individual scorers with 49 tallies. Luman made 33.

Chicago—Wayne "Big" Munn, claimant of the world's heavyweight wrestling title, will tour Europe this summer. He will not meet "Strangler" Lewis at Michigan City, Ind., May 30, his manager, Dave Kaufman, announced.

New York—Walter Spence of New York broke the American and world breast stroke swimming records for 200 yards in 2 minutes, 5 2-5 seconds.

Cleveland, O. — Edouard Mascart, European featherweight champion agreed to meet Al Corbett, Cleveland, in a 12 round decision bout in Cleveland, April 22.

New York—Vincent Richards, Olympic tennis champion and second ranking player in the United States, expressed the opinion that the player writer rule automatically bars him from national and international competition this summer.

White Star Line is running now from Appleton to Sheboygan on regular schedule.

97 WIS. ST. PATENTS YOUNG AND YOUNG

MANKEL-ABBEY HAVE EDGE IN "Y" HANDBALL TOURNAMENT

Because of the absence of several competitors from the city, no games were played in the double handball tourney of the Y. M. C. A. this week.

Three teams still remain in the running, with one pair already in the final round. The teams not eliminated as yet are Peotter and Fox, Hopfenberger and Fies and Mankel and Abbey. Mankel and Abbey, winning two games, have reached the final round unscathed and will meet the winner of the Peotter-Fox and Hopfenberger-Fies combine for the title in the near future.

Oakland, Calif.—Johnny Farr, Oakland featherweight, won a decision in ten rounds from Stewart McLean, St. Paul, Minn.

You're Going

to be too warm, with your heavy coat—during the day and too cool without any coat at night.

You ought to have a top coat.

TORNADO PREVENTS FIRE INSPECTION ARMY'S ARRIVAL

Visit of Field Agents Here Will
Be Made Later—Local De-
partment Is Busy

Appleton was to have been visited during April by a corps of 50 or 60 field agents of the Fire Prevention Bureau of America, to make a thorough inspection of all property here so as to remove fire hazards. The survey has been deferred, however, because all available men were sent to the Illinois and Indiana tornado zone to help adjust losses.

Several Wisconsin cities have been visited and Appleton was on the list. It is believed that the men will come here late in the season, however. The bureau finds this method helpful in reducing the number of fire losses, as suggestions are given for eliminating fire hazards.

Appleton does not depend upon periodic inspections of this kind, however. The local fire department makes a citywide survey frequently to check up fire conditions. The spring inspection already is in progress and inspectors of the department are visiting business places. They detect rubbish accumulations, faulty construction, violations of fire limit rules and other factors which might add to the possibility of fires here.

Chief George P. McGowan of the fire department is interested in the campaign which is being conducted all over the country to reduce the fire hazard and fire loss in schools and colleges. He has received figures which show that going to school is not an occupation without its dangers.

Greater precautions are being taken each year to protect the lives of children in school. Yet reports of underwriters show that fire losses at educational institutions of all kinds climbed from \$5,373,645 in 1919 to \$8,355,870 in 1923. The total property loss in schools during that period was \$84,732,702. More rigid inspection of schools is being urged everywhere.

ORPHANS RECEIVE MONEY FROM UNIQUE STATE FUND

By Associated Press
Madison—Orphans of men killed in industrial accidents in Wisconsin are beginning to receive financial aid resulting from other industrial fatalities in which no dependents are affected.

The state industrial commission announces that it had just ordered the payment of \$64,770.12 to 117 orphans of men killed in Wisconsin industries since September, 1923. The fund was built up under the act of the 1923 legislature providing for the payment of employers of \$1,000 in each case of an employee who was killed leaving no dependents or only partial dependents.

Payments out of the fund were delayed because two insurance companies challenged the constitutionality of the law. The state supreme court recently upheld the validity of the act.

"Out of this fund it was provided that death benefits should be paid to dependent children under 15 years of age, in addition to the regular death benefit to the widow," the commissioner stated. "The purpose of paying these benefits through this state fund instead of directly by each employer was to eliminate any discrimination against men with families that might otherwise occur."

Wreck Building

The old brick building at the rear of Wisconsin Traction, Light, Heat and Power Co. office on E. College ave. is to be wrecked and removed this week, probably to make room for an addition to the present structure. The permit for wrecking the old building was issued Tuesday morning by George Peotter, city building inspector, and operations will be started at once.

OCONTO-CO PAVES LAST LINK IN HIGHWAY 15

Oconto—Eureka! The missing link will be supplied. Not in the human species along darwinian theories but something that will mean even more, at least to tourists and motorists.

Highway 15, a winding strip of road concrete road through to Marinette, with the exception of the stretch through Oconto-co will eventually become one solid ribbon of cement, according to reports made by the highway commissioner's office.

O. C. Rollman, division engineer of the Wisconsin state highway commission, with headquarters at Green Bay, is now advertising for bids for the paving of Highway 15 with concrete between Penauke and Oconto, a stretch of 4.2 miles. The bids will be opened in his office on April 15.

Several relaxations have been made in this highway in Oconto-co which eliminate sharp curves and generally improve the alignment of the highway. This will be the first piece of concrete roadway laid in the county and is the entering wedge against the opposition made to it for several years. The construction of this part of the road is a federal and state aid project.

Chief George P. McGowan of the fire department is interested in the campaign which is being conducted all over the country to reduce the fire hazard and fire loss in schools and colleges. He has received figures which show that going to school is not an occupation without its dangers.

Greater precautions are being taken each year to protect the lives of children in school. Dame Almost "Elected" To County Board

Election Clerk's Error Confuses
Council in Official
Canvass

George Dame, candidate for supervisor from the Third ward in Tuesday's election, almost was elected Wednesday night when the council canvassed the vote. After E. L. Williams, city clerk, had read the reports from the various precincts of all wards, Alderman Jerry Callahan asked him to repeat the figures for the supervisor candidates in the Fourth ward. Mr. Williams read: Dame, \$8 in the first precinct, 273 in the second, total 359; Tracy, \$1, first precinct, 208 second, total 289. Alderman Callahan said that there must be a mistake and requested a recount. Mr. Williams and Alderman George Richards checked their figures twice and each time found them correct. On the third count Mr. Williams found that on the report from the tally sheet the votes cast in the second precinct had been switched—that is, Dame had been

MORE SCOUT TROOPS OUTSIDE CHURCHES

Patriotic and civic organizations are taking more of an interest in boy scout work throughout the country, according to a survey received by O. Ketcher, executive of Valley council, Boy Scouts of America, and this is true of Appleton as well.

Considerable cooperation has been given the movement here by the Rotary, Lions and Kiwanis clubs and One's Johnston post of the American legion now is taking steps to form a troop. The legion has shown the largest recent growth of interest in boy scout work in the United States, the national headquarters declares. There were 52 troops sponsored by the legion in 1922 and now there are 720.

Churches, of course, have the largest number of boy scout troops, with the Methodists leading. That denomination has 3,234 troops. The Pres-

byterians come next with 1,748 and the Baptists third with 1,412. Congregational churches have 787, Episcopal 771, Catholic 538 and Lutheran 423.

There are 1,369 troops sponsored

by service and patriotic organizations. The total number of troops in the United States is 22,093, with membership of 717,141. Community troops number 1,288 and church troops 12,117.

HALLMARK

HOW TO PICK A WATCH THAT WILL PLEASE HIM

No gift for a man quite equals the watch, particularly today when most men would like the new slender model.

But, in giving him this most pleasing of gifts, your judgment goes on trial. He wants a slender time-piece but he wants it as solid inside as Grandpa's "turnip" used to be.

A man is as proud of his watch as the watch is accurate

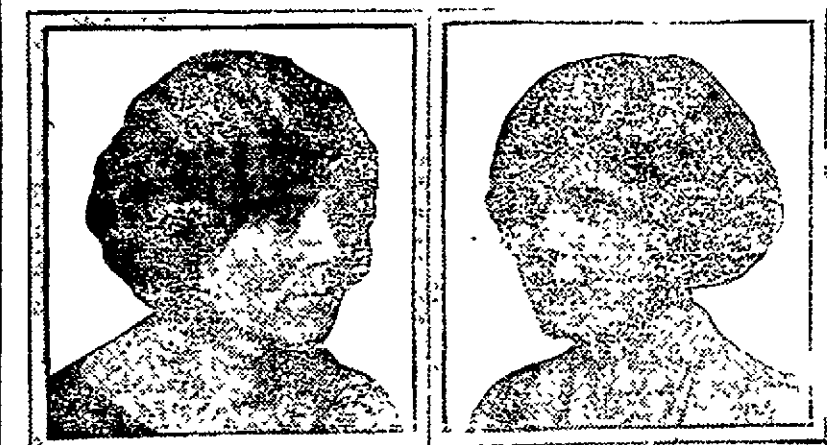

We are prepared to show you a fine selection, moderately priced, and then to guarantee your judgment.

Membership in the Hallmark association of one jeweler in over 800 cities gives this store a purchasing advantage in the finer jewelry markets. This is reflected to you in prices that cannot be met unless quality is sacrificed.

GIFTS OF JEWELRY
ARE TIES OF FRIENDSHIP

Pictures Taken 30 Minutes Apart

Let me bring like changes to you
By Edna Wallace Hopper

This girl was neglecting her beauty, as millions of girls are doing. The picture as left shows that.

Then she used my White Youth Clay and Youth Cream—a single application. The picture at right shows the changes which 30 minutes brought.

I have searched the world since girlhood to find ways to such results. These helps made me a famous beauty, won me a glorious career. They have kept my youth and beauty to a grand old age.

Now I am offering those matchless tips to all girls and women. Toilet counters everywhere supply them. A trial of any will come free if you mail the coupon to me.

MY YOUTH CREAM

Is a remarkable creation, combining many factors. It contains products of both lemon and strawberry. Also the best helps science gave me to foster and protect the skin.

It comes in two types—cold cream and vanishing. I use it as a night cream, also daytime as a powder base. Never is my skin without it. My velvet complexion shows what that cream can do. The cost is 60c per jar. Also in 35c tubes.

MY FACIAL YOUTH

Is a liquid cleanser I owe to France. Great beauty experts the world over now advise this formula, but their price is too high for most women.

It contains no animal, no vegetable fat. The skin cannot absorb it. So it cleans to the depths, then departs. My Facial Youth will bring you new conceptions of what a clean skin means. The cost is 75c.

A new type clay, white, refined and dainty. Vastly different from the

crude and muddy clays so many have employed.

It purges the skin of all that clogs and mars it. Removes the causes of blackheads and blemishes. Brings a rosy afterglow which amazes and delights. Combats lines and wrinkles; reduces enlarged pores.

No girl or woman can afford to omit it. It multiplies beauty. White Youth Clay costs 50c and \$1.

MY HAIR YOUTH

The cause of my luxuriant hair, thick and silky, finer far than 40 years ago. I have never had falling hair, dandruff or a touch of gray.

A concentrated product combining many ingredients. I apply it with an eyedropper directly to the scalp to tone and stimulate. No man or woman will omit it when they see what Hair Youth does. The cost is 50c and \$1 with eyedropper.

MY FACE POWDERS

They are supreme creations. No face powders you have used can compare. Mine are exquisite. They come in two types. One a heavy, clinging, cold cream powder. In square box, \$1. I like that best. The other is light and fluffy, in round box, 50c.

All toilet counters supply new beauty helps. Send the coupon and I will mail you a sample of any one you choose. Also my Beauty Book.

"Cooper" silk hosiery has a wonderful reputation for long wear. It is a fine silk quality—in all the wanted shades, \$1.
Fancy socks are patterned in colored striped designs. Shades of grey, London tan, cordovan and black are 50c a pair.
Fiber hosiery in tan, grey, cordovan and black is an exceptional value at 35c a pair.
"Darn Proof" hosiery is guaranteed for three months from the date of purchase. This is an all-embraced quality in tan, grey, navy, cordovan and black. Sizes 9 1/2 to 12 1/2. THREE PAIRS FOR \$1.

Shirts In Smart Patterns

"Nofade" shirts are guaranteed color-fast. That means a lot to the man who sends his shirts to the laundry. New striped and checked patterns, plain colors and white are shown in the season's smartest styles.
"Nofade" shirts in collar-attached styles and many fancy patterns are \$1.50.
"Nofade" broadcloth shirts in neckband styles of white, blue, tan and grey are \$1.35.
"Nofade" shirts in fine, silk striped madras patterns are made in the neck band style. \$2.25.

Spring Weights In Unions

"Cooper" union suits with short sleeves and the ankle length are shown in white or ecru, \$1.50 and \$2. White, silk striped styles are \$2.75.
"Munsing" union suits in athletic styles, also ankle lengths with short or long sleeves, are shown in ecru and white. \$1.75 and \$2.
Ballistican shirts and drawers in ecru are 50c and 75c.

Light Weight Pajamas

Pajamas in the middy style are popular with men. These come in tan, helio and blue—trimmed with silk braid. \$1.38
Fancy madras pajamas in tan, helio and blue are made in coat style that button. \$2.50.
A special value in pajamas brings a white pajama check suit in coat style at \$1.50.
